Dear Mr. Snay:

This responds to your letter of August 26, 2004 concerning the referenced abandonment. Upon receipt of effective authority from the Surface Transportation Board, BNSF plans to arrange for the salvage and disposition of the right-of-way and materials thereon. Accordingly, the 17 geodetic marker identified (attached) as being affected by the proposed abandonment should be relocated within the next 90 days.

Sincerely,

Brian Nettles
