Re: Olin Property, Wilmington, Massachusetts

Dear Ms. Johnson Ball:

I would like to Thank You For being the Contact person in the transfer station debate For Wilmington MA. I oppose the transfer station. I lived a good part of my life in Woburn Ma. (Near Tanners) and many people ended up with Cancer as the result of a so called "legitimate building!" Many people hide Contamination in their trash. We are short on water as it is now. We Can't have more pollution brought in to a town that is already polluted and suffering. Transfer stations should be in areas Far away From people.

PLEASE HELP OUR TOWN!!

Sincerely,

Lynn DeConto
