This is the most devastating thing that has hit the village of Barrington in my 40 years as a resident. The congestion & safety factors will devastate this village. The financial impact of adding 25 trains would devalue our homes beyond repair.

Hopefully you will consider all the comments and give us your consideration as to the affect on village and residents. We need your thorough analysis of the situation.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
