We are property owners in the Village of Barrington. We have children who will walk to high school and our concern is for the safety of our children. The impact of this proposal will greatly impact the people who call the Village home. Why is this proposed acquisition even a viable option when the impact will benefit few and hurt so many?

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

YOUR INPUT IS IMPORTANT!

Comments provided by the public help determine the scope of the environmental review.
