I have significant concern that the expansion in rail traffic on the EJE railway line will have major negative consequences

(1) IMPACT to PEOPLE SAFETY due to increased traffic

- Bump village of Barrington traffic to standstill and limit movement of emergency vehicles / access to emergency care
- ~~High~~ Unprotected rail lines next to Criger's Park, Cuba Marsh and Barrington High School

(2) Increase in Noise level both during daytime and night-time from traffic noise and any train alarm.

(3) Loss of property value due to ^{this} change.

(4) Damage to the value of this village of Barrington and its environ.
