 Address: \* 20179 E. Reich Ct.

City: \* Palmer  
 State: \* AK  
 Zip Code: \* 99645-  
 Email Address: \* jaho@mtaonline.net  
 Group/Affiliation:  
 Message:

The proposed Houston route (shown in purple on map) and cutting in east of West Papoose Twin Lake and west of Big Lake is on the western boundary line of our 26 acre piece of property. We do not want the train track as our west property line! This will affect the value of our property, both aesthetically and monetarily. We are adamantly opposed to this route choice. There is ample borough land to facilitate rerouting the track away from private property. Or better yet, choose a different route! We purchased this parcel from the Mat-Su Borough in 2004 and the purple section of the Houston route (which we oppose) was not included as a proposed railroad route, and this route only recently appeared (Fall, 2008) in a public posting as a proposed route. The parcel Tax ID is #16N04W06B001. We would very much like this considered when choosing a route. Thank you, Jill Aho
