Dear Dave,

I wanted to thank you for sending us the information of the Discontinuance of Service for AB-55 (sub. No. 656X). That line generally runs from Barrackville through Mannington and is approximately 17 miles in Marion County West Virginia. We really appreciate that you are keeping us in the loop on this project. Also, I wanted to express our interest in the property. The Marion County Commission is interested in the property and if and when you decide to release it, please let us know.

If you need anything please contact me at (304) 367-5341. We hope to hear from you again soon.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Walton".

Richard Walton, Planning & Development Director
