Surface Transportation Board  
1925 K Street, NW  
Washington, D.C. 20423-0001  
Attn: Phillis Johnson-Ball

**Deadline: November 30, 2003**

**(Please be as specific as possible)**

What potential environmental issues and impacts are you concerned about?

The only concern I see with the rail road is noise. And how close it is going to be to towns or houses. I know in Nephi next to the rail road. it is very noisy and your house rattles when the trains go by.

Other than that I think it is good for more jobs growth in industry and the community.
