Dear Mr. Snay:

This responds to your letter of April 22, 2004 concerning the referenced abandonment. Upon receipt of effective authority from the Surface Transportation Board, BNSF plans to arrange for the salvage and disposition of the right-of-way and materials thereon. Accordingly, the eleven geodetic marker identified (attached) as being affected by the proposed abandonment should be relocated within the next 90 days.

Sincerely,

A handwritten signature in black ink, appearing to be 'Brian Nettles'.
