I Am a middle school student who goes to BMS station. I walk to school almost every day, and halfway through the walk is a set of tracks. I am ~~usually~~ ^{not} ~~tardy~~ ^{normally} tardy, but if you put in the tracks, I, and other students would be late to school almost every day. The district might have to change the school hours to accommodate other student's transportation time. This would then effect after school activities, and family plans.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
