Questionnaire and Comment Form

Southwest Gulf Railroad Company's
Proposed Rail Construction in Medina County, TX
STB Finance Docket No. 34284

June 12, 2003

This questionnaire and comment form is designed to help you identify and describe any issues of interest to you regarding Southwest Gulf Railroad Company's Proposed Rail Construction in Medina County, TX. Your comments will help the Surface Transportation Board, Section of Environmental Analysis understand public interests and concerns about the project as we conduct our environmental review.

Please complete this questionnaire after you have reviewed the exhibits. If you have a concern about a particular geographic area, please circle it on the attached map.

Please give us the completed form tonight or mail it to:

Attn: FD 34284
Rini Ghosh
Attorney-Adviser

Surface Transportation Board
1925 K Street, N.W., Suite 500
Washington, D.C. 20423-0001

Your name and address are optional, but would be useful if you would like to be added to our mailing list to receive subsequent information regarding this project.

Name: JACK LOU

Address: P.O. Box 6301

City, State, Zip: MICO, TEXAS 78056

Telephone: 830 612-2245

1. Which of the following applies to your situation?

- The proposed rail line is near my home.
- The proposed rail line is near my business. INTERESTS
- The proposed rail line crosses my property
- Other, please specify Real Estate Broker

Mico Fire Chief
I Believe This
Quarry is in my
Fire District.

2. What are your concerns regarding potential environmental impacts and do you have any mitigation suggestions?

* The Edwards Aquifer The Damage To The
Environment & Those Concerns will Definitely
devalue The Property Values Forever.
Damage To Medina Lake Dam That is Already
Being Looked At By TCEQ USGS & Others As
Being Weak. This Was Brought To Light July 4
2002 During The Flood

3. Please use this space for additional comments or suggestions.

A Vulcan Quarry is near my Home on FM 1283
Near Medina Lake. I Respond To Many Fatal
& Crippling Major Accidents / Crashes
I Have Seen Vulcan Dusting Road So
You Can't See w/ A Vacuum Truck Reversed
To Blow Dust Off Their Entrance

I Have Responded To Conveyor Fire At Quarry
Before. Vulcan Took Over & When We
Arrived Diesel Fuel Was Dripping On Ground
& Into Aquifer. & Had Been Dripping
I Have A Dirt / Gravel Quarry Pit Next To Land
I Own On FM 471 & They Have Dug 20 Foot Depth
Next To My Fence I Had To Get A Lawyer
To Slow Them Down. I Parked At Vulcan's Gerimo
Creek Plant Today & Every Truck That Pulled Out

Thank you for your comments.

Crosses The Double Yellow Line To Enter FM 1283
Which is a State Highway. I Talk To Susan Crane
Of SA That Purchased Land Using Proposition
3 Money Tax / & I Asked Her if Quarries
Where Good For Aquifer "She Said No"
I Suggest You Go To WWW.DONTMESS
With Quihi.com Quarry is Bad For
Environment -
