The time it takes to get thru barrington is already way to long. The number of additional trains per day would make the travel times unacceptable and create totally unsafe conditions.

The noise both at the daytime and night time hours would add to the noise levels.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

YOUR INPUT IS IMPORTANT!

Comments provided by the public help determine the scope of the environmental review.
