Re: Docket No. AB-6 (Sub-No. 424x)

Dear Sirs,

I am responding to your May 27 letter to FWP regarding the proposed abandonment of the BNSF Railway from Glendive, Montana to Circle, Montana. This project is not expected to have significant effects on threatened or endangered species, other wildlife or their habitats or recreational areas. We assume that BNSF, as existing owner of the roadbed, will still be responsible and take an active role in controlling noxious and annual weeds.

Sincerely,

Bryce Christensen
Region Seven Supervisor
