Surface Transportation Board
1925 K Street, NW
Washington, D.C. 20423-0001
Attn: Phillis Johnson-Ball

Deadline: November 30, 2003

(Please be as specific as possible)

What potential environmental issues and impacts are you concerned about?

I think it would be a great thing for the community. It would open the doors for many great opportunities in the surrounding areas.

- : Fewer coal trucks on the roads, less accidents & maintenance
- : less air pollution.
- : Attract more industry in for the area.
- : More jobs for people in the community.
