WITNESSETH:

WHEREAS, commencing on the first day of the Term, Shipowner wishes to demise charter the Vessel to Charterer and Charterer wishes to demise charter the Vessel from Shipowner, in each case subject to and on the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, commencing on the first day of the Term, Shipowner agrees to let and demise and Charterer agrees to hire and demise charter the Vessel, subject to and on the terms and conditions hereinafter set forth.

ARTICLE 1

Definitions

The capitalized terms used herein which are defined in, or by reference to, Schedule A attached hereto and made a part hereof, shall have the meanings specified in said Schedule A unless the context otherwise requires.

ARTICLE 2

Delivery and Acceptance of the Vessel

Notwithstanding any other provision of this Demise Charter, concurrently with the acquisition of the Vessel by Shipowner from Charterer under the Investment Agreement pursuant to the Bill of Sale and related documents and the Vessel's redocumentation under United States Flag with coastwise and registry endorsements in the name of Shipowner with the United States Coast Guard, Department of Transportation, subject only to Shipowner having on such day the legal ability to deliver possession of the Vessel free and clear of all Liens (other than Permitted Liens), Shipowner shall be deemed to

have tendered, and Charterer shall be deemed to have accepted, at such time on such date (the "Delivery Date") delivery of the Vessel under this Demise Charter "AS IS, WHERE IS" in whatever condition she may be, AND IT IS AGREED THAT SHIPOWNER MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO TITLE TO, AS TO THE DESIGN, CONDITION, MERCHANTABILITY OR SEAWORTHINESS OF, AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, OR AS TO THE CONSUMABLE STORES ON BOARD, THE VESSEL, OR AS TO THE FITNESS OF THE VESSEL FOR ANY PARTICULAR PURPOSE OR ANY PARTICULAR TRADE, OR ANY OTHER WARRANTY OR REPRESENTATION WHATSOEVER (except Shipowner represents and warrants only that at all times during the Term it will possess the title to the Vessel transferred to it by Charterer on the Delivery Date free and clear of all Shipowner's Liens other than the Permitted Lien constituted by this Demise Charter and the Liens permitted by Article 14 (a) of this Demise Charter), it being agreed that all such risks (except for Liens incurred by Shipowner) arising prior to or during the Term, as between Shipowner and Charterer, are to be borne by Charterer. Charterer's acceptance of the Vessel under this Demise Charter (immediately following the delivery and acceptance of the Vessel by Shipowner from Charterer under the Investment Agreement), as provided in this Article 2 (a), shall confirm and be conclusive evidence, as between Shipowner and Charterer, that the Vessel has been accepted by Charterer and is in compliance with all requirements of this Demise Charter, and Charterer will not assert any claim of any nature whatsoever against Shipowner or the Vessel (except as to Shipowner's Liens) based on any of the foregoing matters in this Article 2.

ARTICLE 3

Use and Operation of the Vessel

(a) Charterer shall have full use of the Vessel and may employ the Vessel (A) in tugboat operations conducted in the United States or its possessions, including intra coastal and inland towing and (B) in connection with Charterer's performance under the Navy Contract for tug services or any other contract with the United States or any agency thereof that requires tugboat assistance and (C) trading between safe ports and safe berths within a trading range consisting of U.S. East and Gulf coasts, Gulf of Mexico/Caribbean (excluding Cuba and its territorial waters), Mexico/Central America, West Coast U.S. and South America and Canada in any lawful trade and carrying, towing or moving such lawful cargoes and/or vessels for which the Vessel is suitable, subject to Institute Warranties and Clauses, provided, however, that (i) the Vessel shall not carry any Excluded Cargoes (but may provide tugboat assistance to vessels carrying Excluded Cargoes), (ii) Institute

Warranties and Clauses may be breached if insurance complying with Article 9 hereof is available and has been obtained without cost to Shipowner prior to such breach (Charterer also agreeing to notify Shipowner as to each such occurrence at the time thereof), and (iii) the Vessel shall not be operated in any manner contrary to the applicable laws of the United States or, in any manner which can or may injuriously affect the documentation thereof under such laws and regulations or (except as otherwise permitted in clause (ii) above) in any area in which the insurance required by the terms of Article 9 shall not be in full force and effect or in any manner in violation of applicable laws, foreign or domestic, or international conventions.

(b) Charterer shall have exclusive possession and control of the Vessel and shall man, victual, navigate and operate the Vessel at its own expense or by its own procurement throughout the Term. As between Shipowner and Charterer, the master, officers and crew of the Vessel shall be engaged and employed by Charterer and shall remain Charterer's servants, navigating and working the Vessel on behalf of and at the risk of Charterer. Shipowner shall not have any interest in salvage moneys earned by the Vessel or received by Charterer during the Term. Charterer shall pay all port charges, pilotages, and all other costs, charges and expenses whatsoever incident to the documentation, use, operation, maintenance and repair of the Vessel during the Charter Period and until the Vessel has been redelivered to the Shipowner at the expiration of the Charter Period free of Liens (other than Shipowner's Liens) and in all respects in the condition required by this Demise Charter.

(c) Charterer shall without expense to Shipowner, throughout the Charter Period maintain the documentation of the Vessel in the name of Shipowner under the laws and flag of the United States eligible to engage in the registry and coastwise trades of the United States, and Shipowner shall upon the request of Charterer execute such documents and furnish such information as Charterer may reasonably require to enable Charterer to maintain such documentation. The Vessel shall, and Charterer covenants that it shall, at no expense to Shipowner, at all times during the Term comply with all applicable laws, treaties and conventions in effect from time to time, and rules and regulations issued thereunder, including particularly, but without limitation by this enumeration, the International Convention for Safety of Life at Sea, 1960, as amended, and all applicable laws, rules and regulations administered by the Maritime Administration, the United States Coast Guard, the Customs Service, the Treasury Department, the Federal Power Commission, the Federal Communications Commission, the Public Health Service, the Environmental Protection Agency, the Military Sealift Command, the United States Navy and any other United States, state, or foreign nation, agency or entity established under any international convention having jurisdiction in connection with the use, control, operation and maintenance of the Vessel, or their respective

successors, and Charterer covenants that it will have on board, when required thereby, valid certificates showing compliance therewith. Charterer covenants that it will not suffer or permit anything to be done which might injuriously affect the documentation of the Vessel under the laws and regulations of the United States and will not abandon the Vessel in a foreign port (other than as permitted hereunder in connection with an Event of Loss), or engage in any unlawful trade or violate any law or regulation or carry or move any cargo or vessel that may expose the Vessel to penalty, forfeiture or seizure. Shipowner hereby represents that it presently meets the requirements of law so that the Vessel is eligible for documentation under United States flag pursuant to Title 46, United States Code ("U.S.C."), and the regulations thereunder, and is qualified to own vessels operating in the coastwise trade of the United States. Charterer hereby represents that it meets and covenants that it will meet at all times throughout the Charter Period and upon any redelivery of the Vessel to Shipowner as required by this Demise Charter, the requirements of law so that the Vessel is eligible for documentation and operation under United States flag pursuant to Title 46 U.S.C. and the regulations thereunder. Each of Charterer and Shipowner further represents and covenants that it is and, so long as the same shall be necessary to maintain the documentation of the Vessel under the laws and flag of the United States and to operate the Vessel in the coastwise trade of the United States, will be, a citizen of the United States within the meaning of Sections 2 (a), 2 (b) and 2 (c) of the Shipping Act.

ARTICLE 4

Maintenance of Classification and Repairs

(a) Charterer shall be charged with full responsibility for maintenance and repair of the Vessel throughout the Term and shall at all times during the Term, without expense to Shipowner, maintain and preserve the Vessel in good condition, working order and repair, ordinary wear and tear only excepted, so that the Vessel shall be, insofar as due diligence can make her so, tight, staunch, strong and well and sufficiently tackled, appareled, furnished, equipped and in every respect seaworthy and in good operating condition at the commencement of each voyage hereunder. Charterer shall at all times during the Charter Period maintain the Vessel so as to entitle her to the highest classification and rating of ABS for vessels of the same age and type, submitting the Vessel to all required surveys of ABS (giving the Shipowner prior written notice thereof, 30 days in advance if practicable, but otherwise so long in advance as may be practicable under the circumstances), and annually, during each year of the Term, shall furnish to Shipowner reproduced copies of all annual certificates issued by ABS, dated within the previous 30 days, evidencing the maintenance of such classification and rating.

During the Charter Period all repairs or changes necessary to cause the Vessel to comply with the requirements and recommendations of ABS, including changes or additions to such requirements, shall be for Charterer's account. Charterer shall have the right upon not less than thirty (30) days prior written notice to Shipowner to reclassify the Vessel with a recognized classification society other than ABS provided Shipowner shall have first approved such reclassification, which approval may be granted or denied by Shipowner in its sole discretion, the granting or denial of which will not be unreasonably delayed by Shipowner.

(b) During the Charter Period the Vessel shall be repaired and overhauled by Charterer whenever reasonably necessary. During the Charter Period the Vessel shall likewise be dry-docked, cleaned and the bottom painted by Charterer whenever reasonably necessary and, in any event, whenever required by applicable regulations of the United States Coast Guard or any other state or federal agency having jurisdiction, and by ABS, as the case may be. Charterer shall give Shipowner written notice of each such proposed dry-docking 30 days in advance if practicable, but otherwise so long in advance as may be practicable under the circumstances, in order that Shipowner may, if it so desires, have a representative present at such dry-docking and otherwise inspect the Vessel at Charterer's expense to the extent of Shipowner's reasonable out of pocket costs.

(c) Subject to any applicable laws and regulations, Shipowner or its authorized representatives shall have the right at reasonable times, on reasonable notice, to inspect or survey the Vessel in order to ascertain its condition and to satisfy itself that the Vessel is being properly repaired and maintained in accordance with this Article 4, but inspection in drydock shall be made only when the Vessel shall be in drydock under the provisions of Article 4 (b). Any such inspection by Shipowner shall not unreasonably delay the Vessel in the prosecution of any voyage. During the Charter Period, Charterer shall make, or cause to be made, all such repairs, without expense to Shipowner, as such inspection or survey may show to be reasonably required in order to meet the requirements of this Article 4, provided, that such repairs are also required by ABS, the Vessel's insurers, the USCG or any other governmental agency having jurisdiction over the Vessel. Charterer shall (i) permit Shipowner or its authorized representatives, to inspect the Vessel's cargo and her logs and papers and make copies thereof whenever requested, on reasonable notice and (ii) furnish Shipowner with full information (including, without limitation, any survey reports) regarding any casualties or other accidents or physical damage to the Vessel or other property, or to any person, involving an amount in excess of \$150,000.00.

(d) Charter shall in all material respects, and at all times, timely comply with any and all requirements of and obligations under any material agreement for use of the Vessel, including, without limitation, the Navy Contract.

ARTICLE 5

Use of Stores and Equipment

(a) Charterer may, without additional payment to Shipowner, use and consume such fuel, diesel oil, fresh water, lubricating oil, greases and consumable stores belonging to Shipowner as may be on board the Vessel on the Delivery Date and, upon Redelivery, all fuel, diesel oil, fresh water, lubricating oil, greases and consumable stores as may be left on board at that time shall be the property of Shipowner.

(b) Charterer shall have the use, without additional payment to Shipowner, of all outfit, equipment (including cabin, crew and galley equipment), furniture, furnishings, appliances, spare and replacement parts and non-consumable stores belonging to Shipowner as shall be on board the Vessel on the Delivery Date.

(c) Charterer shall provide, without expense to Shipowner, such additional outfit, furniture, furnishings, appliances, spare and replacement parts, tools and stores as may be required by Charterer for the operation of the Vessel. Such additional property so provided shall not become part of the Vessel but shall remain the property of Charterer and, unless Shipowner shall otherwise agree, Charterer shall remove the same, without expense to Shipowner, at or before Redelivery and the Vessel shall be restored prior to Redelivery to the condition she would have been in if such property had not been installed.

ARTICLE 6

Charterer's Changes, Installation of Equipment and Removal of Parts

(a) During the Term, Charterer, at its own time, risk and expense and upon giving 30 days' prior written notice to Shipowner, may make structural changes or alterations in the Vessel, provided that, in the written opinion of an independent naval architect appointed by Charterer and approved by Shipowner, such structural change or alteration does not diminish

the seaworthiness or commercial value or utility of the Vessel in its intended trades and use. Charterer shall reimburse Shipowner on demand for all out of pocket costs incurred by Shipowner in considering Charterer's Request, regardless of whether Charterer shall have received a favorable response to any Request hereunder.

(b) During the Term, Charterer may install any pumps, gear or equipment Charterer may require in addition to that on board the Vessel at the time of delivery thereof, provided that such installations are accomplished at Charterer's time, risk and expense. Pumps, gear and equipment so installed shall, without necessity of further act, become part of the Vessel and the property of Shipowner, *provided, however*, that at any time prior to Redelivery and so long as no Event of Default shall have occurred and be continuing, any such pumps, gear or equipment not required to be installed in order to meet the requirements of the second sentence of Article 3 (c) or of Article 4 (a), may be removed by Charterer, without expense to Shipowner (provided that the Vessel is restored prior to Redelivery to the condition it would have been in if such pumps, gear or other equipment had not been installed), whereupon such pumps, gear and equipment shall automatically, without necessity of further act, become the property of Charterer.

(c) Charterer may, in the ordinary course of maintenance, repair or overhaul of the Vessel, remove any item of property constituting a part of the Vessel, provided such item of property (other than pumps, gear or equipment installed pursuant to Article 6(b)) is replaced as promptly as possible by an item of property which is free and clear of all security interests, liens, encumbrances and rights of others, is in as good operating condition, leaves the Vessel as seaworthy and has a value and utility at least equal to the item of property being replaced. Any item of property removed from the Vessel as provided in the preceding sentence shall remain the property of Shipowner until replaced in accordance with the terms of said sentence, but shall then, without necessity of further act, become the property of Charterer. Any such replacement item of property shall, without necessity of further act, become part of the Vessel and property of Shipowner.

(d) In each case in compliance with applicable laws, Charterer shall have the right to paint the Vessel in its own colors or those of any Person to whom it may time charter the Vessel, to name and rename the Vessel or permit any such time charterer to name and rename the Vessel (and Shipowner will, at Charterer's sole cost and expense, on Request execute such documents as shall be required to effect any such change of name), to install and display its or such time charterer's stack insignia and to fly its or such time charterer's house flag, all without expense to Shipowner, and Charterer shall remove such flag and insignia, without expense to Shipowner, prior to Redelivery.

(e) Notwithstanding the foregoing provisions of this Article 6, no property which constitutes "Government Property" under the Navy Contract (or government property under any other government contract) shall be considered as property of either the Charterer or the Shipowner hereunder.

ARTICLE 7

Liens and Mortgages

Without prejudice to the rights of Shipowner under Article 14, neither Charterer, the master of the Vessel, nor any other Person has or shall have any right, power or authority, without the prior written consent of the Shipowner, to create, incur or permit to be placed or imposed upon the Vessel any mortgage, lien, charge or other encumbrance whatsoever other than Permitted Liens. Nor shall the Shipowner have any right, power or authority so to do. Charterer hereby warrants and defends the title to, and the possession of, the Vessel and every part thereof against the claims and demands of all Persons whomsoever arising (other than by or through the Shipowner) during the Term, which obligation of Charterer shall survive the Redelivery or other Termination of this Demise Charter. During the Term, Charterer agrees to carry a true copy of this Demise Charter with the ship's papers on board the Vessel and to exhibit the same on demand to any Person having business with the Vessel which may give rise to a maritime lien upon the Vessel, and on demand to any representative of Shipowner. Charterer shall also place and keep prominently exhibited in the master's cabin and the chart room of the Vessel, or at another appropriate place or places on board the Vessel, a printed notice which will be substantially in the following form:

NOTICE OF DEMISE CHARTER

This Vessel is owned by Associates Leasing, Inc., an Indiana corporation ("Shipowner"), and is under Demise Charter to Moran Towing Corporation, a New York corporation ("Charterer"). Under the terms of the Demise Charter, neither the Charterer, any other charterer, the master or agent of this Vessel nor any other person (other than the Shipowner) has any right, power or authority to create, incur or permit to be placed or imposed upon this Vessel any lien whatsoever other than liens for wages of a stevedore when employed directly by the Charterer or the operator, master or agent of this Vessel, for wages of the crew in respect of this Vessel (including wages of the master to the extent provided by Public Law 90-293 approved April 25, 1968), or general average, or for salvage (including contract salvage) and for certain other liens for repairs or incident to current operations.

Notwithstanding the provisions of this Article 7, in the event the Vessel shall be arrested or detained by a marshal or other officer of any court of law, equity or admiralty jurisdiction in any country or nation of the world or by any government or other authority and shall not be released from arrest or detention within 10 Business Days from the date of arrest or detention, the Shipowner shall be at liberty to apply for and receive possession of and to take possession in such proceeding of the Vessel (subject however to this Demise Charter) and to protect its right, title and interest as owner of the Vessel with all the rights and powers that the Shipowner might have, possess and exercise in any such event. If such arrest or detention is such that under this Article 7 the Charterer is required to defend the Vessel, then all expenses incurred by Shipowner pursuant to the foregoing sentence shall constitute a debt due from the Charterer to the Shipowner, but the Shipowner shall not be obligated to take the action authorized by the foregoing sentence.

ARTICLE 8

Risk of Loss

Subject to the provisions of Articles 6, 7, 11, and 12 hereof, the Charterer shall bear the entire risk of loss and damage to the Vessel or any of its component parts during the Charter Period. Notwithstanding the foregoing sentence, in no event shall Charterer's obligation to Shipowner in respect of the loss of or damage to the Vessel, or in respect of any Event of Default, be in excess of the amount in dollars which Charterer would be obligated to pay to Shipowner pursuant to Article 11 upon the occurrence of an Event of Loss, or Article 15 upon the occurrence of an Event of Default, as the case may be.

ARTICLE 9

Insurance

(a) Charterer shall, without expense to Shipowner, provide and maintain insurance on or with respect to the Vessel and the operation thereof during the Term as follows:

(1) At its own expense, Charterer shall maintain or cause to be maintained with first class marine insurance companies or associations approved by Shipowner (which approval shall not be unreasonably withheld or delayed) full marine hull and machinery insurance, and increased value or other forms of total loss only insurance, and shall also maintain war risk navigating hull insurance (provided, however, that when the Vessel is operating

between ports in the United States, Canada and islands in the Caribbean excluding Cuba and the territorial waters thereof and excluding other islands that are threatened by hostilities, war risk insurance shall not be required), in each case to the extent commercially available and on an agreed value basis on the Vessel against loss, damage, fire and such other perils as are usually covered by the forms of marine policy in question in an amount aggregating at all times not less than the Stipulated Loss Value of the Vessel at such time.

While being operated, the Vessel shall always be covered by such marine navigating risk hull insurance and marine war navigating risk hull insurance (provided, however, that when the Vessel is operating between ports in the United States, Canada and islands in the Caribbean excluding Cuba and the territorial waters thereof and other islands that are threatened by hostilities, war risk insurance shall not be required); and if, when and while the Vessel is laid up, in lieu of the aforesaid marine navigating risk hull insurance and increased value and other forms of total loss insurance, port risk hull insurance may be taken out thereon by Charterer.

(2) At its own expense, Charterer shall maintain separate full form entries (including pollution coverage) for each of Charterer and Shipowner with financially sound and reputable insurers or protection and indemnity associations, covering marine and war risk protection and indemnity risks, including those of liability for property damage to third persons (including liability to any governmental authority or other person with respect to pollution liability) and personal injury or death to any person arising out of the maintenance, use, operation and ownership of the Vessel, cargo damage or loss, and wreck removal in such amounts as are usually carried by persons engaged in the same or similar businesses as Charterer: provided, however, that in no event shall the amount of such insurance per person and per occurrence (subject to such deductible, if any, permitted hereby or by Shipowner) be less than the customary amount of coverage available in the market from time to time with respect to U.S. flag vessels of the same type, age and trade as the Vessel. Such liability insurance shall, name each of the Shipowner, Charterer and other interested persons as insureds, as their respective interests may appear, but, to the extent the insurers are willing so to do, without recourse to the Shipowner for the payment of premiums, club calls, supplemental calls, or back calls, assessments or advances.

(3) Charterer shall arrange for the issuance of policies of Innocent Owners Protection Insurances naming Shipowner as sole payee and insured in the event of loss or damage to the Vessel, subject to no defense based on breach of warranty or failure of condition by Charterer or any other Person (other than Shipowner).

(4) Charterer shall provide and maintain any additional liability insurance (or any substitute therefor) recommended by the insurance brokers referred to in Article 9(g) and requested by Shipowner which, in the opinion of said insurance brokers, a shipowner and operator engaged in the operation of U.S. flag vessels of similar size, type, age, trade and cargo should carry from time to time consistent with industry standards. Shipowner shall be named an assured under all such policies, which shall include not less than \$700,000,000.00 in pollution coverages so long as such insurance is available in the market at commercially reasonable rates in the reasonable judgment of Shipowner and Charterer.

(5) Irrespective of the foregoing, Charterer shall have the right to self-insure (including by way of a deductible) without the consent of Shipowner, (A) in the case of hull and machinery insurance in amounts up to \$1,000,000.00 per incident and \$2,000,000.00 in the aggregate for all incidents provided that the \$900,000.00 in excess of \$100,000.00 per incident are shared among Guarantor, its subsidiaries and affiliates, and (B) in the case of protection and indemnity insurance the deductible shall not exceed \$250,000.00 increasing proratably to an amount not to exceed \$400,000.00 in the event the total per incident liability exceeds \$1,000,000.00, such deductible arrangements also being accomplished pursuant to (A) above. The foregoing deductibles shall apply for each loss, incident, occurrence, event, or indemnity, as the case may be.

(b) All insurance (other than against protection and indemnity or other liability risks) shall be taken out in the names of the Shipowner and Charterer, and other interested persons as named assureds as their interests may appear, and the policies or certificates shall provide that (or operate so that) there shall be no recourse against Shipowner for the payment of premiums, assessments or advances (and, to the extent the insurers shall be willing so to do, in the case of P&I club entries, club calls, supplemental calls or back calls) and shall provide for at least fourteen (14) days prior written notice to be given by underwriters to Shipowner in the event of cancellation for nonpayment of premium and, to the maximum extent that the underwriters or other entities affording coverage thereunder will agree so to do, of non-renewal or other cancellation of the applicable policy.

(c) All policies of insurance or other evidence thereof (other than those relating to protection and indemnity or other third party liability risks) shall provide that losses thereunder shall be payable to the Shipowner; provided, however, that such policies of insurance or other evidence thereof shall provide that:

(1) any loss under any insurance on the Vessel with respect to protection and indemnity risks or other liability insurance may be paid (x) directly to the Person to whom any liability covered by such insurance has been incurred or (y) to the extent Charterer has paid the loss, damage or expense covered by such insurance to the Person referred to in clause (x) , directly to Charterer to reimburse it for such payments made by Charterer, provided, however, that the underwriters (I) shall have first received evidence that the liability insured against has been discharged or is being discharged simultaneously with such payment and (II) shall not in the case of payments to Charterer under clause (y) above be paid to Charterer after the underwriters shall have received written notice from the Shipowner of the occurrence of an Event of Default or, if so, have been notified by the Shipowner in writing that such Event of Default has been cured or waived; and

(2) in case of any loss (other than a loss covered by clause (1) above or a loss which is an Event of Loss) under any insurance with respect to the Vessel involving any damage to the Vessel, the underwriters (x) may pay directly for the repair or other charges involved or (y) may pay directly to Charterer as reimbursement if Charterer shall have first fully repaired the damage and paid the cost thereof and paid the other charges involved, and the underwriters shall have received evidence of such repair and payment or that such payment will be made simultaneously with the payment by the underwriters; provided, however, that if the payment by underwriters attributable to any loss shall exceed \$500,000.00, the written consent of Shipowner to such payment shall first be obtained, which consent will not be unreasonably withheld or delayed.

(d) In the event that a claim is made against the Vessel for loss, damage or expense which is covered by insurance, and it is necessary for Charterer to obtain a bond or to supply other security to prevent arrest of the Vessel or to release the Vessel from arrest on account of said claim, Shipowner shall forthwith following Request of Charterer, assign to any Person executing a surety or guaranty bond or other agreement to save or release the Vessel from such arrest, all right, title and interest of Shipowner in and to said insurance covering said loss, damage or expense as collateral security to indemnify against liability under said bond or other agreement.

(e) Charterer shall, without expense to Shipowner, have the right, duty and responsibility to make all proofs of loss and take any and all other steps necessary to effect collections from underwriters for any loss under any insurance on or with respect to the Vessel or the operation thereof including the right to effect compromises of claims against insurers, provided however that such compromises, if materially at variance from the amount of any claim in excess of \$200,000, shall be subject to the prior written approval

of Shipowner, which approval shall not be unreasonably withheld or delayed. Shipowner shall cooperate at the expense of Charterer in making all proofs of loss and take all other reasonable steps necessary to effect collection from underwriters.

(f) The insurance provided and maintained on or with respect to the Vessel or the operation thereof in accordance with this Demise Charter shall be on such forms of policies or other evidence thereof (except in the case of protection and indemnity coverage) as are the latest appropriate (at the time of issue of the policies in question) of the forms of American Institute of Marine Underwriters policies and/or The Institute of London Underwriters policies and/or such other forms of policies approved by the Shipowner insuring the Vessel against the usual risks covered by such forms as are recommended by the insurance brokers referred to in Article 9(g) as being customary at the time for U.S. flag vessels of similar size, type, age, trade and cargo. With respect to protection and indemnity coverage, Charterer shall at all times maintain a separate entry for the Vessel in the name of each of the Charterer and Shipowner in a protection and indemnity association that is a party to the International Group Agreement 1985, dated February 1985, effective February 20, 1985, as from time to time amended. Notwithstanding the foregoing, Shipowner may require changes if such changes are necessary to comply with requirements of or to insure against liabilities created or increased by (including those arising by reason of a change, modification, or amendment of) law (including judicial or administrative decisions) or regulations of the government of any state, territory, or possession thereof or of any nation or other place where the Vessel may be documented or may be operating or the laws of which may otherwise apply or, in the opinion of the insurance brokers referred to in (g) below, are such as a shipowner or operator of a vessel of similar size, type, age, flag, trade and cargo should carry in order to protect against the liabilities created by such change, modification or amendment of law consistent with industry standards.

(g) Charterer shall furnish, or cause to be furnished, to Shipowner on the first day of the Term and in each calendar year thereafter (concurrently with the renewal or placement of insurance on the Vessel or at Charterer's option, concurrently with the forwarding of similar reports to the Charterer's or Guarantor's lenders), a detailed report, signed by marine insurance brokers approved by Shipowner (which approval will not be unreasonably withheld or delayed) with respect to the insurances carried and maintained on or with respect to the Vessel and the operation thereof by Charterer under this Demise Charter and stating in effect that such insurances comply in all respects with the applicable requirements of this Demise Charter, and that the forms of policies or other evidence of such insurances are customary at the time for U.S. flag vessels of similar size, type, age, trade and

cargo and setting forth any recommendations such insurance brokers may have for additional liability insurance (or substitute therefor) which a shipowner or operator of a U.S. flag vessel of similar size, type, age, trade and cargo should in their opinion carry. Charterer will cause any such insurance brokers to agree to advise Shipowner promptly of (i) any default in the payment of any premium required (whether for new insurance or for insurance, replacing, renewing or extending existing insurance) and any other act or omission on the part of Charterer of which such insurance brokers have knowledge and which would invalidate or render unenforceable, or cause the lapse or prevent the renewal or extension of, in whole or in part and (ii) of any reduction in the amount of, or material change in the terms of, any insurance on or with respect to the Vessel or the operation thereof required to be carried or maintained by Charterer under this Demise Charter and to furnish Shipowner, from time to time, upon request, reasonably detailed information with respect to any of such insurance.

(h) Charterer will provide and maintain all insurance required to be provided and maintained by Charterer under this Demise Charter with first class marine insurance companies, underwriters associations or underwriting funds approved by Shipowner, which approval shall not be unreasonably withheld or delayed.

(i) Charterer shall deliver to Shipowner the originals or certified copies of the cover notes evidencing the insurances required to be provided and maintained pursuant to this Demise Charter. Charterer shall also deliver copies of all insurance policies (as soon as available) and club entry and rules. A confirmation of coverage or binder of insurance, and any other available evidence of insurance, shall be provided by Charterer to Shipowner not less than ten days in advance of each placement and each renewal or as soon as practicable after such placement or renewal.

(j) Nothing in this Article 9 shall prohibit Shipowner from placing, at Shipowner's expense insurance on or with respect to the Vessel or the operation thereof in an amount exceeding the amount required to be carried or maintained by the Charterer pursuant to Article 9(a), or against risks not required to be covered pursuant to Article 9 (a), unless such insurance would conflict with or otherwise limit the insurance to be provided or maintained by Charterer in accordance with Article 9(a) or carried or proposed to be carried by Charterer in accordance with this Article 9(j). Charterer agrees, upon receipt of a request of, and payment of the premium therefor (and other associated costs) by, Shipowner, to apply for and carry any insurance permitted to be carried by Shipowner pursuant to the preceding sentence, to the extent such insurance is available, with Shipowner named as the sole loss payee. Shipowner agrees, upon the placing of any such insurance, to furnish

Charterer promptly with copies of all Policies relating to such insurance. Nothing in this Article 9 shall prohibit Charterer from placing any additional insurance Charterer desires, at Charterer's expense, on or with respect to the Vessel or the operation thereof, unless such insurance would conflict with or otherwise limit the insurance to be carried or maintained by Charterer in accordance with Article 9(a). Charterer agrees, upon the placing of any such insurance, to furnish Shipowner promptly with copies of all Policies relating to such insurance. The benefit of any insurance permitted by the first or fourth sentence of this Article 9(j) shall inure to benefit of the party at the expense of which such insurance is procured. Any such additional insurance procured pursuant to this Article 9(j) shall provide, or shall operate as if it provided, for a waiver of subrogation, if procured by Shipowner, against the Charterer (and to the extent available against its respective Affiliates, officers, directors and employees) and if procured by Charterer against Shipowner (and to the extent available against its respective Affiliates, officers, directors and employees).

(k) If a libel shall be filed against the Vessel, or if the Vessel shall be otherwise levied upon or taken into custody by virtue of proceedings in any court or tribunal in any country or nation of the world or by any governmental or other authority because of any liens or claims [other than claims or Liens (A) arising solely as the result of Shipowner's acts or omissions (other than acts or omissions for which Shipowner is indemnified pursuant to the terms of the Transaction Documents) or (B) as the result of claims or demands against Shipowner unrelated to Shipowner's ownership of the Vessel, which such claims or Liens it shall be the duty of the Shipowner promptly to discharge or cause to be released, (all such claims and Liens sometimes being herein referred to as "Shipowner's Liens")], Charterer shall, without expense to Shipowner cause the Vessel to be released within ten (10) Business Days and any such claims or liens to be discharged when such claims or the obligations or charges secured by such liens are due and payable and are not being contested in good faith by appropriate proceedings. In the event the Vessel is levied upon or taken into custody or detained by any authority whatsoever, Charterer agrees forthwith to notify Shipowner thereof by telefax, telegram or telex, confirmed by letter.

(l) In the event of an accident, occurrence or event resulting in an actual or constructive total loss of the Vessel, the Charterer shall have the right to declare and claim for a constructive total loss of the Vessel and to require that Shipowner accede to or join in such claim. In the event of an accident, occurrence or event of damage to the Vessel, the Charterer shall have the right in its discretion to enter into an agreement or compromise with underwriters providing for an agreed or compromised total loss of the Vessel, but Charterer shall not declare or agree upon a compromised or agreed total loss of the Vessel without the prior written consent of Shipowner if the

proceeds available under policies applicable to such accident, occurrence or event shall aggregate less than the Stipulated Loss Value. All insurance required to be procured by Charterer under this Article 9 shall, unless otherwise first agreed in writing by the Shipowner or unless otherwise provided in this Article 9, provide that no such insurance shall be excess over other coverage but shall be primary to the insurance required under this Article 9 and shall contain, or shall operate as if it contained, a waiver of subrogation against Shipowner (and to the extent available against its respective Affiliates, officers, directors and employees).

(m) Unless an Event of Default has occurred and is continuing, Charterer shall have the right to prosecute claims against third parties for (i) damage to the Vessel or (ii) for personal injuries for which Charterer or Shipowner has been named as a defendant or held liable, where necessary in the name of Shipowner, to the extent that such claims are not reimbursed by insurance (including claims that fall within Charterer's applicable deductibles).

ARTICLE 10

Term of Demise Charter and Charter Hire; Early Termination Options; Purchase Options; Third Party Sales

(a) This Demise Charter shall remain in effect until, and shall terminate at the end of the Charter Period. Charterer shall, however, provided no Event of Default shall have occurred and be continuing, have the option to terminate this Demise Charter effective upon the receipt by Shipowner of the 60th payment of Basic Hire provided Charterer shall have delivered written notice of its irrevocable exercise of such option not less than ninety (90) days prior to the 60th Basic Hire Payment Date. If Charterer shall exercise such option, Charterer shall, in addition to the 60th payment of Basic Charter Hire, pay to Shipowner in immediately available funds on or before such 60th Basic Hire Payment Date, as and for the purchase price of the Vessel, a sum equal to the Early Purchase Amount and concurrently therewith Shipowner shall execute and deliver to Charterer a bill of sale of the Vessel, in recordable form, AS IS, WHERE IS, in whatever condition she may be, without recourse or warranty of any kind provided however that Shipowner shall warrant that it has not, through its own acts, transferred title to the Vessel and that the Vessel is free and clear of any Shipowner's Liens. Time shall be considered of the essence in the exercise of such option and the payment of the purchase price therefor and failing timely exercise or payment such option shall irrevocably and forever lapse. In the event that the Charterer exercises its option to terminate this Demise Charter, as provided above, the Charterer may also elect, in lieu of purchasing the Vessel, as provided above, to cause the Vessel to

be sold to an unrelated third party in an arms length sale ("Third Party Sale"), for the sole benefit of Shipowner promptly following the 60th Basic Hire Payment Date in which event the Charterer shall continue to pay Basic Hire at the rate specified in respect of said first sixty (60) payments of Basic Hire until the Vessel is sold and the proceeds of sale received by the Shipowner who shall be entitled to retain the entire net proceeds thereof. Furthermore, (i) in the event said net proceeds are less than 75% of the Purchase Price, Charterer shall concurrently with the receipt by Shipowner of said net proceeds pay to Shipowner the difference between the amount of said net proceeds and 75% of the Purchase Price, provided, however, that Charterer's liability shall be limited to an amount equal to 59% of the Purchase Price, and further provided, however, that if an Event of Default shall have occurred and shall not have been cured, Charterer shall be required to pay to Shipowner the total difference between said net proceeds and said 75%, and (ii) in the event the said net proceeds are in excess of 75% of the Purchase Price, Shipowner shall pay such excess to Charterer.

Furthermore, in the event Charterer has not previously terminated this Demise Charter as provided above, and provided Charterer shall have delivered irrevocable written notice of the exercise thereof not less than ninety (90) days prior to the 120th Basic Hire Payment Date, Charterer shall have the option to pay Shipowner the Final Purchase Amount in immediately available funds and concurrently therewith Shipowner shall execute and deliver to Charterer a bill of sale of the Vessel on the same terms and conditions as the bill of sale referred to above. In the event Charterer does not timely elect to purchase the Vessel at the expiration of the 120th Basic Hire Payment Date, Charterer shall effect a Third Party Sale of the Vessel in the same manner provided in the preceding paragraph except that the obligation to pay Basic Hire beyond the 120th Basic Hire Payment Date shall continue until the receipt of the net proceeds of sale by the Shipowner at the rate specified in respect of the 61st through and including the 120th Basic Hire Payment Date in the definition thereof and except that (i) in the event the net proceeds are less than 47.5% of the Purchase Price, the Charterer shall pay the Shipowner the difference between said net proceeds and 47.5% of the Purchase Price, provided, however, that Charterer's liability shall be limited to an amount equal to 35.5% of the Purchase Price, and further provided, however, that if an Event of Default shall have occurred and shall not have been cured, Charterer shall be required to pay the total difference between said net proceeds and said 47.5%, and (ii) in the event the net proceeds are in excess of 47.5% of the Purchase Price, Shipowner shall pay such excess to Charterer.

(b) During the Term, Charterer promises to pay to Shipowner Basic Hire on each Basic Hire Payment Date. During the Charter Period, Charterer agrees to pay to Shipowner Supplemental Hire within ten (10) Business Days after demand therefor.

(c) From, but excluding, the last day of the Term until and including the date of Redelivery (if any) of the Vessel and until all other obligations of Charterer to Shipowner under this Demise Charter have been fulfilled, Charterer shall pay to Shipowner Charter Hire at a per diem rate equal to one payment of the then applicable amount of Basic Hire divided by thirty for such period.

(d) In the event any amount of Charter Hire payable pursuant to this Article 10 is not paid when due as provided in this Article 10, Charterer promises to pay, in addition to such amount of Charter Hire, interest on the overdue portion thereof for the period from the due date of such Charter Hire until the date of payment thereof at the Default Interest Rate together with an administrative and late payment charge of 5% of the amount of any such overdue payment which is more than ten (10) calendar days late.

(e) Notwithstanding anything else in this Demise Charter contained, so long as the Charterer shall not be deprived of the quiet and uninterrupted use and possession of the Vessel through the willful misconduct of Shipowner, Charterer's obligations and liabilities hereunder are absolute and unconditional except as set forth herein and in Article 11 and no Charter Hire payment nor any other payment to be made by Charterer hereunder during the Charter Period shall, except in accordance with the express terms hereof, be subject to (x) any reduction (except as otherwise expressly provided herein), limitation, impairment or termination (except upon termination of this Demise Charter in accordance with the terms hereof) whether by reason of any claim of any character whatsoever, or otherwise, including, without limitation, claims of waiver, release, surrender, alteration, consent, extension, indulgence or compromise, or (y) any right of set-off, counterclaim, defense, recoupment, abatement, suspension or deferment whether based upon this Demise Charter or any other agreement or otherwise and howsoever arising, whether out of actions or nonactions of any other Person, and Charterer shall have no right to terminate this Demise Charter (except as provided in Article 10 (a), 10 (h) and 11) or to be released, relieved or discharged from any obligation or liability hereunder to make such payments for any reason whatsoever. Nothing contained in this Article 10 shall be construed to be a waiver, modification, alteration or release of any claims which Charterer may have at any time during the Term or subsequent thereto for damages or equitable relief for any breach by Shipowner or any substitute parties or any other Person of any provision of this Demise Charter or any provision of any other agreement.

(f) The obligation of Charterer to pay Basic Hire pursuant to this Demise Charter shall cease to accrue as at the day following the date of occurrence of an Event of Loss or the termination hereof pursuant to Article 15 or upon exercise by Charterer of its option to terminate pursuant to Article 10 (a), or pursuant to Article 10 (h) and the completion and fulfillment by Charterer of its obligations thereunder.

(g) Any provision of this Demise Charter to the contrary notwithstanding, upon redelivery of the Vessel to Shipowner under Article 13 or following the occurrence of an Event of Default, the Vessel shall be free and clear of all Liens (other than Shipowner's Liens, if any), including, without limitation, the Lien of any Charter, free of cargo with clean swept holds and in all other respects charter free.

ARTICLE 11

(a) Upon the occurrence of an Event of Loss during the Term, this Demise Charter shall terminate upon the payment to Shipowner of the payments referred to in the next sentence. After such occurrence Charterer shall pay to Shipowner (i) an amount equal to all out of pocket expenses (including legal and investigatory fees) incurred by, and not otherwise reimbursed to, Shipowner in connection with the occurrence of the Event of Loss as set forth in an Officer's Certificate of Shipowner received by Charterer at least five Business Days prior to the date of such payment, (ii) within 120 days following such Event of Loss the Stipulated Loss Value of the Vessel as of the date of the occurrence of the Event of Loss and (iii) interest on said Stipulated Loss Value at 9-1/2% per annum from and including the date of occurrence of such Event of Loss to and including the date of payment to Shipowner of such Stipulated Loss Value (it being understood for the purpose of this Article 11(a) only, the definition of Stipulated Loss Value shall not include the interest factor set forth therein)

(b) Charterer agrees forthwith upon obtaining knowledge thereof to notify Shipowner by telefax, telegram or telex, confirmed by letter, of the occurrence of an Event of Loss or of an event which with the passage of time would become an Event of Loss.

(c) If an Event of Loss shall occur during the Term, Shipowner shall be entitled to retain all amounts payable to it in respect of such Event of Loss under the insurance provided pursuant to Article 9(a) hereof up to the aggregate amount which Charterer shall be obligated to pay to Shipowner

pursuant to Article 11(a) above (and will credit the amount of any such policy proceeds actually received against Charterer's obligations to Shipowner under this Demise Charter) and shall remit any excess (including any excess by reason of payment by Charterer prior to the receipt by Shipowner of insurance proceeds as the result of any Event of Loss) to Charterer; provided, however, that any excess proceeds received as the result of excess coverage procured by a party hereto pursuant to Article 9(j) hereof shall be retained by the party procuring the same as its own property, to which the other party hereto shall have no claim or right.

ARTICLE 12

Requisition of Use

(a) In the event the Vessel is requisitioned for use by any governmental or other competent authority during the Term, such requisition (unless it constitutes an Event of Loss hereunder) shall not terminate or entitle Charterer to terminate this Demise Charter or to cease or interrupt payment in full of Charter Hire. If during the Term the Vessel is under such requisition, Charterer shall be entitled to any amounts payable to Shipowner or to Charterer in respect of such requisition insofar as it falls within the Term and, provided no Event of Default shall have occurred and be continuing, Shipowner shall pay any such amounts to Charterer immediately upon receipt thereof by Shipowner.

(ii) after such release Charterer shall be given a reasonable opportunity of complying with Charterer's obligation under Article 6 and of removing any such additional equipment as is referred to in Article 6(b) hereof on the terms referred to therein.

(i) (A) Upon written demand, the Shipowner may cause the Charterer at the Charterer's expense to, and the Charterer shall promptly, redeliver the Vessel or cause the Vessel to be redelivered, with all reasonable dispatch to the Shipowner and in the condition required by the terms of Article 13 hereof as if the Vessel were being redelivered at the expiration of the Charter Period, and all obligations of the Charterer under said Article 13 shall apply to such Redelivery, or (B) the Shipowner or its agent, at the Shipowner's option, without further notice, may, but shall be under no obligation to, retake the Vessel wherever found, whether upon the high seas or at any port, harbor or other place and irrespective of whether the Charterer, any subcharterer or any other Person may be in possession of the Vessel, all without prior demand and without legal process, and for that purpose the Shipowner or its agent may enter upon any dock, pier or other premises where the Vessel may be and may take possession thereof, without the Shipowner or its agent incurring any liability by reason of such retaking, whether for the restoration of damage to property caused by such retaking or otherwise. The exercise by the Shipowner of its remedies under this subparagraph (i) shall be without prejudice, and in addition, to any of the Shipowner's other remedies referred to below in this Article 15 (b).

(ii) The Shipowner, by written notice to the Charterer specifying a payment date not earlier than ten nor later than thirty days from the date of such notice, may require the Charterer to pay to the Shipowner, and the Charterer hereby agrees that it will pay to the Shipowner, on the payment date specified in such notice, as liquidated damages for loss of a bargain and not as a penalty, and in lieu of any Basic Hire payments hereunder, all unpaid Charter Hire payable on each Basic Hire Payment Date occurring on or before the payment date specified in such notice, plus an amount equal to the Stipulated Loss Value of the Vessel computed as of the Basic Hire Payment Date immediately preceding the payment date specified in such notice (or as of such payment date if such payment date is a Basic Hire Payment Date), together with interest on such amount at a rate equal to the Default Rate for the period, if any, from the Basic Hire Payment Date as of which such Stipulated Loss Value shall be computed to and including the date of actual payment, and the Shipowner shall pay over to the Charterer the net proceeds of any sale, charter or other disposition of the Vessel actually received by Shipowner (after deducting all costs and expenses whatsoever incurred by the Shipowner in connection therewith and all other amounts which may become payable to the Shipowner hereunder or under or pursuant to any of the other Transaction Documents) up to the amount of such Stipulated Loss Value and interest actually paid by Charterer to Shipowner; provided, however, that in the event that (x) the Charterer pays all such liquidated damages, interest, and any other amounts which may become payable hereunder or under any other Transaction Document, and (y) the Vessel is not then sold, the Shipowner shall, at the request of the Charterer, transfer, for no additional consideration, the Vessel to the Charterer as is, where is, without recourse or warranty of any kind (other than a warranty against Shipowner's Liens).

(iii) Whether or not the Shipowner shall have exercised, or shall thereafter at any time exercise, any options, rights or remedies under Article 15(b) (i) or (b) (iv), the Shipowner in lieu of exercising its rights under paragraph (ii) of this Article 15 (b), may by notice to the Charterer specifying a Basic Hire Payment Date which is not earlier than 10 days nor more than thirty days after the date of such notice, require the Charterer to pay to the Shipowner, and the Charterer shall pay to the Shipowner, on the payment date specified in such notice, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the aggregate of all unpaid Basic Charter Hire and Supplemental Hire payable in accordance with the terms of this Demise Charter (plus any other amounts due to the Shipowner) on or prior to such payment date plus an amount equal to the excess of:

(1) Stipulated Loss Value for the Vessel, computed as of the Basic Hire Payment Date occurring on or immediately preceding the payment date specified in such notice, over

(2) whichever of the following amounts the Shipowner, in its sole discretion, shall specify in such notice: (x) the Fair Market Sales Value of the Vessel as of the Basic Hire Payment Date occurring on or next preceding the payment date specified in such notice or (y) the Fair Market Bareboat Charter Value of the Vessel for the period from the Basic Hire Payment Date occurring on or next preceding the payment date specified in such notice to what would have been the end of the Charter Term in the absence of the termination of the Charterer's rights to the Vessel, after discounting such Fair Market Bareboat Charter Value monthly (effective on each payment date which would have occurred under this Charter) to present worth (using a rate of 12% per annum for purposes of such calculation) as of the Basic Hire Payment Date occurring on or immediately preceding the payment date specified in such notice.

The whole sum of the liquidated damages shall be remitted by the Charterer to the Shipowner. For purposes of clause (2) of subparagraph (iii), above, (x) the Fair Market Sales Value or the Fair Market Bareboat Charter Value, as the case may be, shall be zero if the Shipowner is unable to recover possession of the Vessel in accordance with the terms of this subsection (a); (y) if the Shipowner shall have sold the Vessel prior to the giving of the notice referred to above in this subsection (a) (iii), the Fair Market Sales Value shall be the net proceeds of such sale after deducting all unreimbursed costs and expenses whatsoever incurred by the Shipowner in connection therewith; and (z) there shall be added to Fair Market Sales Value or to Fair Market Bareboat Charter Value, as the case may be, the net proceeds received by the Shipowner (after deducting all unreimbursed costs and expenses whatsoever of the Shipowner with respect thereto) from any charter of the Vessel to others pursuant to this Article 15 (b) to the extent such proceeds are received by the Shipowner prior to the giving of the notice referred to above in this Article 15 (b) (iii) . If at any time within one year after the payment of the amounts specified in this Article 15(b) (iii) under the circumstances described in clause (x) above (in which the Fair Market Sales Value or Fair Market Bareboat Charter Value of the Vessel was deemed to have been zero), the Shipowner shall obtain possession of the Vessel and sell or charter the Vessel, then promptly after receipt by the Shipowner thereof, the Shipowner shall pay to the Charterer all net proceeds of such sale or charter up to the amount paid by the Charterer pursuant to this Article 15 (b) (iii) . Notwithstanding the provisions of this Article 15 (b), in the event that (x) the Charterer pays all liquidated damages under this Article 15(b) (iii) and any other amounts owed under this paragraph (iii) within a one year period from the occurrence of the applicable Event of Default, and (y) the Vessel is not then sold, the Shipowner shall, at the request of the Charterer, transfer, for no additional consideration, the

Vessel to the Charterer, AS IS, WHERE IS, without recourse or warranty of any kind (other than a warranty against Shipowner's Liens). Nothing contained in this Article 15(b) shall require the Shipowner to sell or charter the Vessel at any time.

(iv) The Shipowner or its agent may sell the Vessel at public or private sale, with or without advertisement or publication, as the Shipowner may determine (but with at least ten (10) days prior written notice to the Charterer, which both parties hereto agree is reasonable notice), or otherwise may dispose of, hold, use, operate, charter (whether for a period greater or less than the balance of what would have been the Term in the absence of the termination of the Charterer's rights to the Vessel) to others or keep idle the Vessel, all on such terms and conditions and at such place or places as the Shipowner may determine in good faith and all free and clear of any rights of the Charterer and of any claim of the Charterer in admiralty, in equity, at law or by statute, whether for loss or damage or otherwise, and without any duty to account to the Charterer except to the extent specifically provided in paragraph (iii) of this Article 15 (b).

(c) In addition to all amounts payable pursuant to Article 15(b) hereof, the Charterer shall be liable for any and all Supplemental Hire payable under this Charter before, during or after the exercise of any of the foregoing remedies and for all reasonable costs including all legal fees and any other costs and expenses whatsoever incurred by the Shipowner by reason of the occurrence of any Event of Default or by reason of the exercise by the Shipowner of any remedy hereunder, including, without limitation, all costs and expenses incurred by the Shipowner in connection with any retaking of the Vessel and, upon the redelivery or retaking of the Vessel in accordance with this Article 15 (b), the placing of the Vessel in the condition and seaworthiness required by the terms of Article 13 hereof and including interest on overdue Charter Hire as provided in Article 19(h) hereof. No remedy referred to in this Article 15 is intended to be exclusive, but each shall be cumulative, is in addition to, and may be exercised concurrently with, any other remedy which is referred to in Article 15(b) and 15(c) or which may otherwise be available to the Shipowner at law, in equity or in admiralty, including, without limitation, the right of the Shipowner to rescind this Charter, to enforce the terms hereof, and the exercise or beginning of exercise by the Shipowner of any one or more of such remedies shall not preclude the simultaneous or later exercise by the Shipowner of any or all such other remedies; provided, however, that liquidated damages having been agreed to by the parties hereto pursuant to Article 15 (b), the Shipowner shall not be entitled to recover from the Charterer as damages upon the occurrence of one or more Events of Default an amount in excess of such liquidated damages plus any Supplemental Hire, and all costs, interest and expenses. There shall be deducted from the aggregate amount so

recoverable by the Shipowner the net balance, if any, remaining of any monies held by the Shipowner which would have been required by the terms hereof to have been paid to the Charterer but for the occurrence of an Event of Default or an event which with the lapse of time or the giving of notice, or both, would constitute an Event of Default.

(d) The rights of the Shipowner and the obligations of the Charterer under this Article 15 shall be effective and enforceable regardless of the pendency of any proceeding which has or might have the effect of preventing the Shipowner or the Charterer from complying with the terms of this Charter. No express or implied waiver by the Shipowner of any Event of Default shall in any way be, or be construed to be, a waiver of any further or subsequent Event of Default. The Shipowner shall in no event waive an Event of Default without there having first been made a Request for a waiver from the Charterer to the Shipowner. To the extent permitted by applicable law, the Charterer hereby waives any rights now or hereafter conferred by statute or otherwise which may require the Shipowner to sell, charter or otherwise use the Vessel in mitigation of the Shipowner's damages, except to the extent expressly set forth in this Article 15.

ARTICLE 17

Taxes

(a) General Taxes. All payments by the Charterer or the Guarantor in connection with the transactions contemplated by the Transaction Documents shall be free of withholdings of any nature whatsoever (and at the time that the Charterer is required to make any payment upon which any withholding is required, the Charterer shall pay an additional amount such that the net amount actually received by the Person entitled to receive such payment will, after such withholding, equal the full amount of the payment then due), except for withholdings arising by the fact that the Shipowner (or its Affiliates) has a presence in a foreign country or foreign territory, and shall be free of expense to each Indemnified Person for collection or other charges, and, whether or not any of the transactions contemplated hereby are consummated, the Charterer agrees to pay and assume liability for, and does hereby agree to indemnify, protect, defend and hold harmless on an after-tax basis each Indemnified Person from and against, all taxes,

assessments, fees and charges, together with any penalties, fines, additions to tax or interest thereon, howsoever imposed, whether levied or imposed upon such Indemnified Person, the Charterer, the Vessel or any part thereof by any federal, state or local government or governmental subdivision or taxing authority in the United States, by any foreign country or subdivision thereof, by any other foreign or international taxing authority or by any other authority having or asserted to have jurisdiction to tax, upon or with respect to, the Vessel or any part thereof; the manufacture, construction, acceptance, rejection, transfer, control, operation, condition, servicing, maintenance, repair, abandonment, replacement, purchase, sale, ownership, delivery, non-delivery, leasing, insuring, possession, use, improvement, transfer of title, return or other disposition thereof; the rentals, receipts or earnings arising therefrom; the Transaction Documents or any payment made pursuant thereto; or otherwise in connection with the transactions contemplated by the Transaction Documents (all such taxes, assessments, fees, charges, penalties, fines, additions to tax and interest imposed as aforesaid, whether now existing or hereinafter enacted or adopted, being hereinafter called "Taxes"); excluding, however, (A) Taxes based on or measured by the net income of such Indemnified Person (other than (i) Taxes in the nature of or in lieu of sales, use or rental taxes; (ii) Taxes which, by the terms of the statute imposing such Taxes, expressly relieve the Charterer as a lessee from the payment of Taxes which it would otherwise be obligated to pay or indemnify; and (iii) Taxes upon or with respect to indemnification payments made pursuant to this Article 17) which are imposed on such Indemnified Persons by the United States or any state or political subdivision thereof or by any foreign country, in which such Indemnified Person has a place of business, (B) Taxes included in the Purchase Price, (C) Taxes resulting from the voluntary transfer by such Indemnified Person of any interest arising under the Transaction Documents or the Vessel (provided that a transfer required by the Transaction Documents shall not be considered a voluntary transfer) unless such transfer shall occur as a result of the Shipowner exercising its rights or remedies as a result of an Event of Default and, (D) any Tax attributable to the Vessel that is imposed with respect to any period after the expiration of the Charter Period with respect to the Vessel; provided, however, that this exception shall not apply to Taxes (including any interest, penalties, and additions to tax with respect thereto whether or not such amounts relate to a period after such expiration) relating to events occurring or matters arising prior to or simultaneously with such expiration.

(b) Contests; etc. If any claim is made against any Indemnified Person or if any proceeding is commenced against any Indemnified Person (including a written notice of such proceeding) for any Taxes as to which the Charterer has an indemnity obligation pursuant to Article 17 (a), such Indemnified Person shall promptly notify the Charterer. Without prejudice to

any other rights the Charterer may have in connection therewith (including, without limitation, any claim for damages for a failure to give notice specified in the preceding sentence) , the parties agree that the failure to provide such notice shall not affect the Charterer's obligations hereunder to any Indemnified Person. If reasonably requested by the Charterer in writing and upon the reasonable determination by such Indemnified Person that the action to be taken will not result in any substantial risk of the imposition of a lien on or the forfeiture of the Vessel or any part thereof, such Indemnified Person shall, upon receipt of indemnity reasonably satisfactory to it and at the expense of the Charterer (including, without limitation, all costs, expenses, attorneys' and accountants' fees and disbursements, penalties and interest), in good faith contest the validity, applicability or amount of such Taxes by, in such Indemnified Person's sole discretion, (i) resisting payment thereof; (ii) not paying the same except under protest, if protest is necessary and proper; or (iii) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative and judicial proceedings. Any contest required pursuant to the immediately preceding sentence shall, at the option of such Indemnified Person, be conducted by such Indemnified Person or the Charterer in the name of the Charterer or such Indemnified Person. If any such contest involves payment of the Tax in question, the Charterer shall either make such payment directly to the appropriate authority or furnish to such Indemnified Person sufficient funds to make such payment. The Charterer agrees to give such Indemnified Person reasonable notice of any contest prior to the commencement thereof. If any Indemnified Person obtains a refund of all or any part of any Tax paid or reimbursed by the Charterer and if no Event of Default shall have occurred and be continuing, such Indemnified Person shall promptly pay to the Charterer the amount of such refund net of expenses not already paid or reimbursed by the Charterer; provided, however, that such amount shall in no event be payable before such time as the Charterer shall have made all payments and indemnities then due and payable under this Agreement to such Indemnified Person; provided further, however, that the aggregate amount of all payments with respect to any Taxes by such Indemnified Person pursuant to this sentence shall not exceed the aggregate amount of all payments made by the Charterer pursuant to Article 17(a) with respect to such Taxes. If, in addition to such refund such Indemnified Person shall receive an amount representing interest on the amount of such refund, the Charterer shall promptly be paid that portion of such interest that is fairly attributable to Taxes paid or reimbursed by the Charterer prior to the receipt of such refund. Nothing contained in this Article 17 shall require any Indemnified Person to contest or permit the Charterer to contest a claim which it would otherwise be required to contest or permit the Charterer to contest pursuant to this Article 17 if such Indemnified Person shall waive payment by the Charterer of any amount that might otherwise be payable by the Charterer under this Article 17 by way of indemnity in respect of such claim.

(c) Payments. All Taxes shall be paid when due and payable and all amounts payable as indemnities pursuant to this Article 17 shall be payable, to the extent not theretofore paid, on written demand by any Indemnified Person, but not earlier than the date payment of such Taxes shall be due. Notwithstanding any other provision of this Demise Charter, to the extent the Charterer shall be required to make any payment under this Article 17 (including under this Article 17(c)), the Charterer's payment or indemnity obligation shall also include any amount necessary to hold each Indemnified Person harmless from all Taxes required to be paid by such Indemnified Person with respect to such payment or indemnity (taking into account any current deduction to which the Indemnified Person may be entitled) Whenever any payment is to be made by the Charterer under this Article 17 and it shall be necessary in calculating the amount of such payment, and any related payment pursuant to the preceding sentence, to compute the amount of any liability for Federal, state or local tax imposed on or measured by the net income of any Indemnified Person, such computation shall be based on the assumption that such taxes shall be payable at the highest marginal statutory rate in effect for the relevant period.

(d) Reports and Returns. In case any report or return shall be required to be made with respect to any obligations of the Charterer under or arising out of this Article 17, the Charterer shall (i) to the extent required or permitted by law, make and file in its own name such return, statement or report, and (ii) in the case of any other such return, statement or report required to be made in the name of any Indemnified Person, advise such Indemnified Person of such fact and prepare such return, statement or report for filing by such Indemnified Person or, where such return, statement or report shall be required to reflect items in addition to any obligations of the Charterer under or arising out of this Article 17, provide such Indemnified Person with information sufficient to permit such return, statement or report to be properly made with respect to any obligations of the Charterer under or arising out of this Article 17 (and the Charterer shall hold each Indemnified Person harmless from and against any liabilities, obligations, losses, damages, penalties, claims, actions, suits and reasonable costs arising out of any insufficiency or inaccuracy in any such return, statement, report or information).

(e) Definition of Indemnified Person. For purposes of this Article 17, the term Indemnified Person shall include the successors and assigns of each respective Indemnified Person, and for purposes of Federal income taxes, the affiliated group of corporations and each member thereof (within the meaning of Section 1504 of the Code) of which such Indemnified Person is or shall become a member, if such group shall file a consolidated United States Federal income tax return, and, for purposes of income or franchise taxes

imposed by a particular state or local taxing jurisdiction, shall include any consolidated or combined group of which such Indemnified Person is or shall be a member that is treated as such by such state or local taxing jurisdiction.

(f) Receipts. The Charterer agrees to use its best efforts to obtain official receipts indicating the payment of all foreign Taxes that are subject to indemnification under this Article 17 and shall promptly send to the Indemnified Person each such receipt obtained by the Charterer.

(g) Ownership for Federal Income Tax Purposes. Shipowner and Charterer agree that Charterer and not Shipowner shall exclusively be recognized as the "owner" of the Vessel for United States income tax purposes and Shipowner agrees that neither Shipowner nor any Affiliate of Shipowner will take a contrary position on any tax return filed by Shipowner or such Affiliate without the prior written consent of Charterer.

ARTICLE 18

Indemnification and Expenses

Charterer does hereby assume liability for, and does hereby agree (whether or not any of the transactions contemplated hereby shall be consummated) to indemnify, protect, save and hold harmless and keep whole each Indemnified Person, in accordance with the method of calculation set forth in Section 5.3(c) of the Investment Agreement, from and against any and all liabilities (including but not limited to liabilities arising out of the doctrine of strict liability), obligations, losses, damages, penalties, claims, actions, suits, judgments, costs, expenses and disbursements, whether any of the foregoing be founded or unfounded (including legal fees and expenses and costs of investigation), of whatsoever kind and nature (provided that this Article 18 shall not apply to indemnification for any tax other than any net additional income tax arising as a result of receipt of any indemnity payment pursuant to this Article 18) that may be imposed on, incurred by or asserted against any Indemnified Person, and in any way relating to or arising out of the Transaction Documents (including, without limitation, the performance of all obligations thereunder) including in connection with an Event of Loss, any Event of Default and terminations or any assignment thereof or sublease thereunder, or any amendments, waivers or consents of or with respect to any thereof required by Charterer (whether or not the same shall become effective) or requiring the consent of or execution by Charterer or resulting from any Event of Default under any Transaction Document to which Charterer is a party (whether or not any such amendment, waiver or consent shall become effective), or the construction, purchase, acceptance, rejection, ownership,

delivery, non-delivery, possession, use, operation, leasing, subleasing, condition, maintenance, repair, sale, return, redelivery or other disposition of, or the imposition of any Lien (or incurrence of any liability to refund or pay over any amount as a result of any Lien) on, the Vessel acquired or proposed to be acquired by Shipowner hereunder (including, without limitation, any claim arising out of violations of applicable laws, latent or other defects, whether or not discoverable by Shipowner, Charterer or any other Person, and any claim for patent, trademark or copyright infringement), except only that the Charterer shall not be required pursuant to this Article 18 to indemnify:

(i) any Indemnified Person for loss or liability resulting solely from such Indemnified Person's own gross negligence or willful misconduct;

(ii) any Indemnified Person for any liability relating to the Vessel arising out of acts or events that occur after redelivery of the Vessel in accordance with Article 13 of the Demise Charter (other than a redelivery pursuant to Article 15 of this Demise Charter)

Upon request of such Indemnified Person, the defense of any claim referred to in the first sentence of this Article for which indemnity may be required shall be conducted by the Charterer.

ARTICLE 19

SCHEDULE A

Definitions

“ABS” shall mean the American Bureau of Shipping or any successor organization or any other recognized classification society acceptable to Shipowner in accordance with the terms of the last sentence of Article 4(c) of the Demise Charter.

“Addendum No. 5 to the Security Agreement” shall mean that certain Addendum No. 5 to the Security Agreement substantially in the form of Schedule H-2 to the Demise Charter.

“Administrative Agent” shall have the meaning set forth in the Credit Agreement.

“Affiliate” shall mean any Person directly or indirectly controlling, controlled by or under direct or indirect common control with another Person. For the purpose of this definition, “control” when used with respect to any specified Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” shall have meanings correlative to the foregoing.

“Appraisal Procedure” means the procedure specified in the succeeding sentences for determining an amount or value hereunder. The parties shall consult for the purpose of determining such amount or value by mutual agreement. In the absence of such agreement either party may give written notice to the other requesting determination of such amount or value by appraisal and in such event the parties shall consult for the purpose of appointing a mutually acceptable qualified independent appraiser. If the parties are unable to agree on an appraiser within twenty days of the giving of such notice, such amount or value shall be determined by each of two independent appraisers, one of whom shall be selected by the Charterer and the other of whom shall be selected by the Shipowner, on or before the twenty-first day following the giving of such notice. If the determination made by the appraiser reaching the greater value does not exceed the lower value by more than ten percent of the lower value, the two values shall be averaged and such determination shall constitute the determination of the appraisers. If such excess shall be greater than ten percent of the lower value, a third appraiser shall be selected by the two appraisers or by the Society of Maritime Arbitrators, Inc., if the other two are unable to agree upon a third appraiser within ten days. The third appraiser shall make his determination within fifteen days of his appointment. Of the three appraisals, the determination

of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such average shall constitute the determination of the appraisers.

"Assumption Agreement" shall have the meaning set forth in Section 5.1(f) of the Investment Agreement.

"Basic Hire" shall mean 120 payments of Charter Hire (subject to the provisions of Article 10 of the Demise Charter) payable on each Basic Hire Payment Date. By way of example, and for avoidance of doubt, were such weekly average 7-year interest rate swap for the week preceding the date on which the sixtieth (60th) payment of Basic Hire became due to be 6.92%, the interest rate to be employed in calculating the sixty-first (61st) through and including the one hundred twentieth (120th) payment of Basic Hire would be 9.67% (6.92% plus 2.75%) and the consecutive level payment calculation would be based on the amortization of the difference between \$2,625,000.00 and \$1,662,500, or \$962,500 and, accordingly, upon such assumptions the percentage amount of the original Purchase Price for each of the sixty-first (61st) through and including one hundred twentieth (120th) payments of Basic Hire would be .962609%. In the event that the 7-year interest rate swap rate is no longer published by the Federal Reserve or other reliable, mutually agreeable independent statistical service, the parties shall mutually agree upon such rate by consultation with primary market makers in interest rate swaps employing utmost good faith and, failing the ability to agree upon such rate, the rate shall be finally determined by the interest rate swap desk at Fleet Boston Financial Corporation or its affiliates or their respective successors and assigns and such determination shall be final and binding on Shipowner and Charterer. Notwithstanding the foregoing provisions of this definition of Basic Hire providing for the automatic adjustment of the interest rate to be employed in re-calculating Basic Hire payments effective from and including the 61st payment of Basic Hire, the Charterer shall have the option, in lieu of such automatic adjustment, of designating as the 7-year swap rate to be employed in calculating the interest rate reset any weekly average 7-year swap rate occurring during the six (6) month

period beginning with the date on which the 57th payment of Basic Hire is due and ending with the last full week preceding the date on which the 63rd payment of Basic Hire is due. In the event Charterer notifies Shipowner of its intention to exercise such option on or prior to the date on which the 57th payment of Basic Hire is due, Charterer shall then have the right to designate as the reset 7-year swap rate any weekly average such rate occurring during such six (6) month period in lieu of the automatic adjustment provided above, it being understood, however, that Charterer shall notify Shipowner of its choice of 7-year weekly average swap rate to be employed in the re-calculation within five (5) business days following the expiration of such week and provided further that the adjustment in the amount of the payment of Basic Hire shall apply only to those payments occurring more than twenty-nine (29) days after Shipowner has received notice from Charterer of the designated reset rate. In the event Charterer shall have timely exercised its option on or prior to the date on which the 57th payment of Basic Hire is due but shall thereafter fail to have timely notified Shipowner of its choice of a 7-year weekly average swap rate, Basic Hire shall be automatically adjusted, prospectively, based on the 7-year weekly average swap rate for the last calendar week immediately preceding the date on which the 62nd payment of Basic Hire is due and any adjustments in the Stipulated Loss Values with respect to the related Basic Hire payment dates shall be, if necessary, similarly adjusted."

In the event that the Owner is unwilling or unable to perform those duties as directed, or to timely respond to emergency situations, and upon determination by the Commander-in-Chief, Atlantic Fleet (CINLANTFLT) or his designated representative that the emergency so requires, the Owner agrees to relinquish custody and control of the tug(s) to the Government in order to allow the Government to respond to the emergency situation using the Owner's tug(s)/equipment augmented in whole or in part by a Government crew. Such determination shall be provided to the Tug master or designated representative: the Commander, Military Sealift Command; the Contracting Officer; and the Contracting Officer's Representative. The period of Government operation and control shall not exceed that time required to respond to the emergency and properly return the tug(s) to Owner's control.

(b) Mitigation. Owner release of the tug(s) for emergency operation by the Government shall serve to mitigate Owner's liability, if any, under the Termination for Default Clause, such value associated with the release of tug(s) to the Government to be offset against the Contractor's liability under the Termination for Default. During a period of partial or complete augmentation of crew by the Government, as a result of default, the Owner shall not be entitled to charter hire.

(c) Owner Responsibility. The Owner shall cooperate and provide assistance in reactivation of the tug(s) from cold iron and any other assistance directed by the authorized Government representative(s).

(d) Government Responsibility. The Government shall be responsible for loss or damage to the tug(s) during periods of complete crew augmentation by the Government. During periods of partial crew augmentation, the Government shall be responsible for damages resulting from Government action in accordance with the Federal Tort Claims Act.

(e) Condition of Default. Any failure, untimely response, or refusal to perform any of the services in Section C4 may be considered a condition of default under this charter, unless otherwise excepted.

The Personnel Roster shall be updated within five days of crew or staff changes and shall include a phone listing of key personnel and stations on the tug(s).

(c) Fuel Consumption. The Contractor shall provide a report summarizing fuel usage, by tug, shall be submitted on a monthly basis to the NAVSTA, Norfolk Port Operations Officer and to the Naval Fleet Auxiliary Force Program, Code PM13D, Military Sealift Command, Washington Navy Yard, 914 Charles Morris Court SE, Washing D.C. 20398-5540.

(d) Accident. Accident reports are to be provided to the COR upon the occurrence of an accident.

Such inspections shall include but not be limited to:

In the event that the stated deficiencies are not corrected in a reasonable period of time and in the opinion of the Contracting Officer (based upon the recommendation of the Government Inspector and/or the independent surveyor) the Tug is inadequate for the intended service or unable to operate for the remaining period of the Charter as a result of these deficiencies, the Government reserves the right to cancel this Charter at no cost to the Government at any time during the term of the Charter, or take any other action available under this Charter or authorized by law.

E1.2 Predelivery Inspection.

(a) A predelivery inspection of the Tug may be held at Government's option upon the request of the Owner; such inspection shall be of an advisory nature only. At any such

This inspection shall be conducted, if possible, in a shipyard and on a date mutually agreeable to the Owner and the Government. The Owner will be advised of the condition of the Tug and Associated Equipment found by the Inspector. This predelivery procedure is to enable the Owner to correct any deficiencies discovered, if any, before the delivery inspection. SECTION H - SPECIAL CONTRACT REQUIREMENTS

H1 DESCRIPTION OF THE TUG

H1.1 General

(a) Owner warrants that, from the date of delivery of the Tug and throughout the period of the Tug's service under this Charter Party, the Tug shall be in a thoroughly seaworthy condition and as described in Part I and Attachment J2 of this Charter Party. Owner shall indemnify Charterer from any and all liability, loss, or damage arising out of or contributed to by any unseaworthiness of any Tug or any deficiency of its machinery, equipment, or personnel aboard. The power, speed, and fuel consumption of the Tug and other descriptions as set forth in Attachment J2 are warranties by the Owner. Should actual performance or readiness condition of the Tug show any failure to satisfy one or more of such warranties or other Charter requirements not due to the fault of the Charterer, the hire may be equitably decreased, this Charter may be terminated, or the Tug may be placed off-hire, at Charterer's option so as to indemnify the Charterer to the extent of such failure, this Charter Party otherwise to remain unaffected. Should any warranted specification of the Owner in Part I or any Attachment of this Charter Party be in excess of a required specification elsewhere identified in the Charter or solicitation, the warranted specification shall prevail over the required specification.

H1.2 Horsepower

(a) The Tug horsepowers identified in Attachment J2 are certified by an independent surveyor.

H1.3 Warranted Fuel Consumption and Speed(a) Transit Speeds and Consumption

(i) The Owner warrants that, unless otherwise ordered by the Charterer, the Tug is capable of maintaining and shall maintain, throughout the currency of this Charter Party, the average speeds in knots (identified in Attachment J2 at Box "w" as "Transit Speeds") at 80% of the Tug's shaft horsepower, without Tow.

(b) Towing Consumption

(i) When transiting at the speeds identified in Attachment J2 (at Box "y") in moderate weather, Owner warrants that daily fuel consumption in net barrels at 60 degrees Fahrenheit shall be at the average rate(s) identified in Attachment J2 (at Box "y"), for the grade(s)/viscosity(ies) therein identified to be consumed.

(ii) When towing at the speeds identified in Attachment J2 (at Box "x") in moderate weather, Owner warrants that daily fuel consumption in net barrels at 60 degrees Fahrenheit shall be at the average rate(s) identified in Attachment J2 (at Box "x"), for the grade(s)/viscosity(ies) therein identified to be consumed.

(c) Fuel costs resulting from consumption in excess of warranted fuel consumption rates will not be reimbursed. Further hire shall be equitably decreased to recover the cost of any fuel provided by the Government under Article H14 which is determined by the Contracting Officer to be in excess of that which should have been consumed based on offeror's warranted fuel consumption.

H2 RESERVED

H3 INSURANCE

H3.1 Requirement. During the full period of this Charter Party, Owner shall maintain, and shall, when requested, furnish a Certificate of Insurance evidencing the following insurance coverage:

(b) Towner's Protection and Indemnity liability insurance on each Tug performing under this Charter Party in the minimum amount of \$5,000,000, with trading limits adequate for the services contemplated herein.

(c) Hull and Machinery insurance on each Tug performing under this Charter Party, with trading limits adequate for the services contemplated herein.

The expense for all such insurance coverages shall be for the Owner's account and shall be deemed to be included in the hire payable under this Charter Party.

H3.6 Charterer Named Assured. The United States of America shall be named as an additional assured with waiver of subrogation under Owner's Towner's Liability policy, under the Hull and Machinery policy, and under the P&I entry. SECTION H - SPECIAL CONTRACT REQUIREMENTS

H4 **RESERVED** (unless Article S9(H) "WAR" is specifically referenced in Box 15A)

H5 READINESS

H5.1 Readiness is a required service of the Tug chartered herein. Readiness shall be defined as the ability of Tug and Associated Equipment to perform the function for which designed, built, or chartered, including the ability to deploy without delays, whether or not so ordered to perform. Should actual performance or condition of the Tug or Associated Equipment show any failure to satisfy one or more of the Owner's warranties, or render the Tug in less than a fully efficient state, the hire will be proportionately decreased so as to indemnify the Charterer to the extent of such failure, this Charter Party to remain otherwise unaffected. Failure of the parties to agree upon the extent of the proportional decrease in hire shall be a dispute under the clause entitled "Disputes" incorporated herein by reference in Section I. Nothing in this clause shall limit the rights of the Charterer to place the Tug off-hire pursuant to clause H6.

H6 OFF HIRE

H6.1 General. In the event of the loss of time resulting from deficiency and/or default of men including but not limited to misconduct, illness, injury, strikes, labor disruptions, lockouts, or deficiency of stores; fire; breakdown of, or damages to, hull, machinery, or equipment; collision; stranding; grounding; detention by authorities; repairs; inspections; drydocking for the purpose of examination or painting bottom; or deviation for the purpose of landing any ill or injured person on board other than any passenger, supercargo, or military personnel aboard the Tow or who may be carried aboard any Tug at Charterer's request; or by any other cause whatsoever preventing the full working of any Tug; the payment of hire shall cease for all time lost until the Tug is again ready and in a fully efficient state to resume her service from a position not less favorable to the Charterer than that at which such loss of time commenced. Should any Tug deviate or put back contrary to the orders or directions of the Charterer for any reason other than unseaworthiness of the Tow, the hire is to be suspended from the time of her deviating or putting back until she is again ready and in a fully efficient state to resume her service from a position not less favorable to the Charterer than that at which such loss of time commenced. When the period of time lost to the Charterer on any one occasion is less than four consecutive hours, the hire shall not be reduced for such period.

H6.2 Costs for Owner. The cost of fuel consumed while the Tug is off-hire, as well as all port charges, pilotages, and other expenses incurred during such period and consequent upon the putting in to any port or place other than to which the Tug is bound shall be borne by the Owner. All fuel used by the Tug being driven into port or to shallow harbors or to rivers or ports with bars, the delay of the Tug and/or expenses resulting therefrom, shall be for Charterer's account.

H6.3 Speed and Fuel Warranties. If any Tug fails to make the speed warranted in Part I of this Charter Party, or any Tug's fuel consumption exceeds that warranted in Part I of this Charter Party,

due to defect in or breakdown of any part of her hull, machinery, or equipment; casualty; or inefficiency of Tugmaster, Officers, or crew or their failure to proceed with utmost dispatch, the hire for the time lost (if the Tug is delayed more than twelve hours), and the cost of extra fuel consumed, if any, shall be borne by the Owner. Any delay by ice shall be for Charterer's account.

H7 RESERVED

H8 GOVERNMENT PERSONNEL

H8.1 Charterer's Option. The Charterer shall have the option of carrying passengers, of assigning officers and/or enlisted men aboard any Tug for duty purposes and appointing supercargo (supercargo as used herein is both plural and singular) as far as accommodations and United States Coast Guard certification allow. Charterer shall pay an amount of \$32.00 per day, per person, covering all expenses including accommodations and victualling. Owner shall victual U.S. Government representatives, pilots and Customs Officers when authorized by Charterer. Charterer shall pay \$7.00 per meal for all such authorized and approved victualling provided as a result thereof.

H8.2 Military Personnel. In addition to the carriage of personnel noted in Article H8.1 above, Charterer shall have the option to assign other military personnel aboard any Tug. Such personnel are not to require victualling, berthing, or sanitary facilities from any Tug unless requested by the military commander aboard, in which case the Owner will be reimbursed out-of-pocket expenses not to exceed the amount per person per day set forth in Article H8.1 above. Charterer will supply life floats and jackets for the use of such military personnel carried aboard any Tug during the charter period. Such items to be removed by Charterer at the termination of the Charter.

H8.3 Charterer's Liability. The Charterer shall be liable to the Owner for any loss of the Tug's fittings or appurtenances or any damage to any Tug, her fittings, or appurtenances caused by the act of passengers, supercargoes, evacuees or military personnel in the embarkation, carriage or debarkation of passengers, supercargoes, evacuees or military personnel to the extent such loss or damage is not payable under the Tug's insurance policies; provided the Charterer shall not be liable for such damage unless written notice specifying such damage, and if obtainable, the name of the party or parties causing such damage shall have been given to the Charterer or its authorized representative within a reasonable time.

H9 TIME LOST

H9.1 Tacking to End of Charter Period. Any time lost by the Tug during the currency of this Charter Party (including during any option exercised) due to breakdown of machinery, interference by authority, collision, stranding, fire or other accidents or damage to the Tug, or repairs, inspections, overhaul and alterations, preventing the work of the Tug shall be added to the charter period at Charterer's sole option, declarable at least thirty (30) days prior to the termination of the charter period. Hire for such additional declarable period shall be at the same rate as in effect as of the date said declaration was made.

SECTION H - SPECIAL CONTRACT REQUIREMENTS

H9.2 Excessive Time Lost. The Government may by written notice cancel this Charter at no cost to the Government whenever, in any given 365-day period, for any reason whatsoever, more than thirty days are lost. Failure to cancel this Charter after thirty days are lost shall be without prejudice to any other rights of the Charterer, or any later right of the Charterer to cancel this Charter.

H9.3 Relationship to Other Remedies. No remedy conferred by this Article upon the Charterer is intended to be exclusive of any other remedy, but every such remedy shall be cumulative and shall be in addition to every other remedy already conferred by this Charter or now or hereafter existing at law or in equity or by statute.

H10 RESERVED

H11 PORT CHARGES AND EXPENSES

H11.1 Expenses for Charterer. Except as otherwise provided herein, Charterer shall pay all wharfage, dockage, canal tolls, dues, taxes, and similar port charges imposed by public authority including consular charges (except those pertaining to the Tugmaster, Officers, and crew) incurred by the Tug and/or Tow in ports visited pursuant to Charterer's direction. Agency fees, provided not incurred for the convenience of the Tug or Owner, shall also be for Charterer's account. The Charterer shall pay all pilotage charged to the Tug; however, in no case shall the Charterer reimburse the Owner for pilotage paid to the Tugmaster or crew. Surveyors or consultants as mutually agreed may be retained under this Charter in order to facilitate fact-finding in respect of actual or potential claim actions or for inspections or surveys generally; the costs thereof shall be as mutually agreed and, if for Charterer's account, said costs shall be incurred only after prior written approval from the Contracting Officer.

H11.2 Reimbursement. All of the charges incurred for Charterer's account as noted in Article H11.1 above shall be paid by the Owner if so required by the Charterer. The Charterer shall thereafter reimburse the Owner for such charges in accordance with Article G1 herein.

H12 OWNER'S OBLIGATION

H12.1 Provisions, Insurance, Wages, Fees and Other Expenses. The Owner shall, unless otherwise noted herein, provide and pay for all provisions; deck, engine room, and galley stores and fresh water; insurance on the Tug; wages of, transportation of, and services for Tugmaster and crew and consular fees pertaining to them in accordance with Article H11.1. Owner will be responsible for all port charges associated with the foregoing.

H12.2 Dispatch. The Owner, through its agents, employees and servants, shall commence and prosecute services made pursuant to this Charter with utmost dispatch and shall render all customary assistance with the Tug's crew and equipment.

H12.3 Logs. The Owner shall have maintained on board the Tug deck and engine room logs, true copies of which shall be retained by Owner and made available to the Charterer at any time upon

request at no cost to the Government for a period of at least ten years after the expiration of this Charter. Logs shall be legible and in English.

H13 RESERVED

H14 FUEL

H14.1 Delivery Bunkers. Upon delivery of each Tug, the Owner shall present to the Contracting Officer a statement certified by the Owner or his authorized agent showing the amount and grade of fuel on board at the time of delivery with such additional verification as the Contracting Officer may require and the Charterer shall pay the Owner for such fuel at the current market price at the port of delivery upon certification and verification of such statement by the Contracting Officer. The Charterer shall pay for the on-hire bunker survey, if performed by an independent surveyor and required by the Contracting Officer. The Owner shall provide additional bunkers as may be required by the Charterer prior to the acceptance of each Tug by the Charterer and the Charterer shall reimburse the Owner all costs directly connected with the bunkering of the additional fuel, including but not limited to lighterage, dockage and similar charges, and taxes related therewith.

H14.2 Provision of Fuel. The Charterer shall ordinarily supply or cause to be supplied any or all of the fuel required by the Tug during the period of this Charter. The grade of such fuel is to be specified by the Owner, and the grade supplied shall be at least that grade unless otherwise mutually agreed. The Owner shall be responsible for any fuel testing. Testing laboratory confirmation of compatibility and specifications of newly on-board delivered fuel shall constitute acceptance by Owner. The Tug shall not be off-hire in the event of delay resulting from the supply of fuel found to be off specification, unless for want of due diligence by Owner. If the Owner loads such fuel on any Tug at his own expense, the Charterer shall reimburse the Owner the reasonable cost of such loading.

H14.3 Owner's Purchase of Fuel. The Owner shall, if directed by the Charterer, purchase fuel for any Tug, in which case the Charterer shall reimburse the Owner the cost of all fuel (excluding lube oils) procured by the Owner and loaded in the Tug during the period of this Charter. If the Owner is required to incur costs under this Article by the Charterer, the Charterer shall thereafter reimburse the Owner for such costs upon presentation of properly certified vouchers, supporting receipts, and other documentation which justifies the charges as fair and reasonable in accordance with Article G1. The Owner shall not, however, be reimbursed any amount in excess of the current market price of such fuel at the place purchased plus all reasonable expenses incurred by the Owner in loading said fuel on board the Tug. The title to all fuel for the cost of which the Owner is entitled to be reimbursed hereunder shall automatically pass to and vest in the Charterer upon delivery to the Owner or upon the happening of any other event by which title passes from the vendor or supplier thereof to the Owner. In the case of any such fuel which is purchased for the performance of this Charter, the Charterer shall be afforded all

SECTION H - SPECIAL CONTRACT REQUIREMENTS

benefits of Owner's contracts for its fuel requirements, including but not limited to any savings addressed at Article H31.

H14.4 Off-hire. If the Tug should go off-hire during the period of this Charter, the Owner shall present to the Contracting Officer a statement certified by him or his authorized agent showing the amount of fuel on board at the time the off-hire period commenced and the amount of fuel on board when the off-hire period ended. The Charterer shall be credited for the cost of the fuel consumed during the off-hire period and also reasonable expenses incurred in loading such fuel, such costs to be based upon costs at the previous refueling point.

H14.5 Redelivery. Upon redelivery of the Tug the Owner shall present to the Contracting Officer a statement certified by the Owner or his authorized agent showing the amount of fuel on board at the time of redelivery. A bunker survey conducted by an independent bunker surveyor approved by the Charterer shall be performed at the port of redelivery or such other place as the Charterer shall direct, at Owner's time and expense. The Charterer shall be credited with the value of fuel on board at the time of redelivery, computed at the current market price at the port of redelivery.

H14.6 Reasonable Expenses. The term "reasonable expenses", as used in this Article, shall mean all reasonable costs excluding crew overtime which are necessarily incurred in loading said fuel on board the Tug, such as expenses incurred at tanker terminal: loading fuel from lighters, barges, or other craft used as lighters, including lighterage, lighter demurrage, or detention incurred; cost of shifting lighters for the convenience of the Tug, handling lighter lines; and such similar expenses which the Charterer shall find were necessarily incurred in the loading of fuel on the Tug during the period of this Charter.

H15 REDUCED OPERATIONAL STATUS (LAYUP)

H15.1 Charterer's Option. The Charterer shall have the option to direct the Owner to place the Tug in a period of reduced operational status (ROS). During any such period the rate of hire shall be as stipulated in Part I. The less-than-ten-day rates stipulated in Part I shall apply over the full term of: (a) any ROS period which actually extends less than ten days, and (b) any ROS period which is initially estimated by the Charterer to extend less than ten days. The ten-day-and-longer rates stipulated in Part I shall apply over the full term of any ROS period which is estimated to and does extend ten days or longer, without reference to any other ROS or FOS rates.

H15.2 Notice to Owner. The Charterer shall give the Owner written or telegraphic notice or, in the event notice is given by telephone, written or telegraphic confirmation of exercise of the option specified in Article H15.1, including with said notice an estimate of the duration of the ROS period. Such notice shall also specify the time at which the period of ROS is to commence, which time shall not be less than 48 hours subsequent to the receipt of such notice by the Owner or his representative. The Charterer shall give the Owner written or telegraphic notice or, in the event notice is given by telephone, written or telegraphic confirmation of

termination of the period of ROS. Such notice shall specify the time at which such period shall terminate, which time shall be at least 72 hours (Saturdays, Sundays and holidays excluded) subsequent to the receipt of said notice by the Owner or its representatives; provided however, that by agreement between the Owner and the Charterer the Tug may be returned to full operational status (FOS) before the time specified in the notice of termination of the reduced operational period.

H15.3 Repairs during ROS. During any period of ROS the Owner shall have the option of performing voyage repairs or maintenance work for his account.

H15.4 Negotiated Rates. Should savings be anticipated to exceed those reflected in the ten-day-and-longer rates identified in Part I on account of either the length of the ROS period or other unique circumstances at the port of layup, the Owner shall notify the Charterer. An appropriate ROS rate shall then be negotiated for the specific period.

H16 WAIVER OF CLAIMS

H16.1 All invoices or claims whatsoever for moneys due the Owner under this Charter must be submitted not later than one year after the relevant period of service. Any said claim or invoice not so submitted shall be deemed waived by the Owner.

H17 CHARTER NOT A DEMISE

H17.1 Nothing herein contained shall be construed as creating a demise of the Tug to the Charterer, the Owner under this Charter retaining complete and exclusive possession and control of the Tug and her navigation.

H18 SUBCHARTER

H18.1 The Charterer shall have the option, without the prior written consent of the Owner, to subcharter or agree to subcharter the Tug under any form of time or voyage charter. If Charterer shall enter into any such charter, Charterer shall nevertheless remain liable for the due performance of this Charter. Any such subcharter shall include a provision that it is subject to the provisions of this Charter Party.

shall have the liberty to sail with or without pilots, to tow and to be towed, to assist vessels in distress, and to deviate for the purpose of saving life or property, or to go into drydock or into ways with or without cargo on board.

H23 SALVAGE

H23.1 In the event of the Tow breaking away from the Tug under this Charter Party or in the case of emergency support ordered by the Government, the Tug shall stand by and render all reasonable services to reconnect the towline and other such services as will fulfill the terms of this Charter Party, without making any claim for salvage.

H24 LIMITATIONS

H24.1 Any provision of this Charter Party to the contrary notwithstanding, the Owner shall have the benefit of all limitations of and exemptions from liability accorded to the Owner or Chartered Owner of the Tug by any statute or rule of law for the time being in force except to the extent that contract terms entitle the Government to compensation from the Contractor for the Contractor's failure to perform the requirements and obligations of this Charter or such statute or rule of law limiting the Contractor's liability is subordinate to any statutorily mandated provision of this Charter Party by operation of law. Nothing in this Charter Party shall operate to limit or deprive the Owner of any statutory exceptions or limitation of liability on the theory of personal contract or otherwise.

H25 - H27 RESERVED

H28 ALTERATIONS

H28.1 The Charterer shall be at liberty to make any additional alterations it may require beyond what is on board at the commencement of the Charter, such work to be done at Charterer's expense and on its time. The Charterer shall thereafter, during the period of this Charter, leave the Tug in its original condition, ordinary wear and tear excepted, provided that the Contracting Officer is notified in writing within 30 days of completion of any alteration that the Owner requests such restoration or removal. The Charterer shall be at liberty to install any equipment or defensive armament (including demagnetization by installed equipment or other process, e.g., degaussing, wiping or deperming), to install any additional gear or equipment for loading, carrying or discharging cargoes and to repaint the Tug. Such work shall be done at the Charterer's expense and on its time and shall not be such as to be in contravention of any applicable law of the United States or regulation made pursuant thereto. Such equipment, armament, materials and gear so fitted are to be considered "Government Property" under the terms of FAR clause 52.245-02 incorporated by reference in Section "I" herein. The Charterer shall, during the period of the Charter, remove the same together with any alterations and additions thereto at its expense and time and shall restore the Tug to her condition and color prior to such changes, ordinary wear and tear excepted. The Government shall have the right to abandon in place any alteration or Government-furnished property, unless the Contracting Officer is notified in

writing within 30 days of completion of any alteration that the Contractor requests such restoration or removal.

H29 BROKER

H29.1 The broker of this Charter, if any, shall be the party identified in Box 17. Brokers must obtain a power of attorney executed by the Tug's Owners prior to submitting offers under their own signatures, signing representations and certifications or executing finalized contracts under this Article and must submit same to Government with finalized contract. Any commission, percentage, brokerage, or other fee contingent upon or resulting from the award of this Charter Party shall be for the Owner's account. Owner has furnished the Government a completed Standard Form 119, "Statement of Contingent or Other Fees", to the address stated in Box 4, if required. Under no circumstances will the Contracting Officer accept a Standard Form 119 executed by any entity other than the principal contractor.

H30 STANDARDS OF APPEARANCE

H30.1 It is important that the operation meets the highest possible standards of appearance and Tug smartness. To this end, the Owner and operator will institute a continuous program of Tug maintenance. The hull, decks, deckhouse and all appurtenances will be cleaned and preserved as necessary and painted as required. The interior of the Tug's deckhouses will be maintained in a clean and orderly state, with all equipage properly and securely stowed. The main and auxiliary machinery spaces will be kept clean and free of excessive accumulations of oil and debris. All spaces will be lighted to allow safe operation and correct maintenance of machinery and equipment. The crew shall maintain a clean, groomed and professional appearance.

H31 SAVINGS

H31.1 The Owner agrees that any refunds, rebates, credits, discounts, insurance payments or other amounts (including any interest thereon) accruing to or received by the Owner under this Charter shall be paid by the Owner to the Government to the extent that they are properly allocable to costs, expenses, or reimbursements for which the Owner has been reimbursed by the Government under the terms of this Charter. The foregoing shall apply to any savings to the Owner resulting from a fleet reduction, applied on a pro rata basis.

H32 RESERVED

H33 LAW GOVERNING

H33.1 The interpretation of this Charter Party and of the rights and obligations of the parties therein shall be governed by the laws of the United States.

H34 - H35 RESERVED

H36 SUBSTITUTION

SECTION H - SPECIAL CONTRACT REQUIREMENTS

H36.1 Emergency Substitution.

(a) In the event that any Tug is placed off-hire, and either Owner or Charterer reasonably expects that said off-hire period shall exceed four hours, Charterer shall have the option to require Owner to substitute another tug and certified crew to perform under this Charter Party. Should Charterer exercise this option Owner shall, within a period of six (6) hours after the period of off-hire commenced, have deployed a substitute tug meeting the criteria of Article H36.1(b), then fully ready to perform in accordance with this Charter Party, upon arrival at the Tow or other work site designated by Charterer.

(b) Any tug nominated to be a substitute tug under this Article shall result in no cost increase for Charterer; shall have substantially the same characteristics noted in Attachment J2 as the Tug for which substituted; shall be similarly fitted and otherwise equal or superior in performance as compared with the Tugs identified in Attachment J2; shall not, together with all other Tugs then under charter, diminish the aggregate bollard pull or horsepower identified for all Tugs in Attachment J2; shall meet the Charterer's minimum requirements; shall result in no operational delay for Charterer except as provided in Article H36.1(a) above; and shall not otherwise excuse any other performance required under this Charter Party.

(c) All notifications concerning emergency substitutions by either Charterer or Owner may be made in writing or, if confirmed in writing within forty-eight (48) hours, orally. Charterer's notice of acceptance or rejection of the substitute tug shall be made within a reasonable time following Owner's nomination thereof, provided that Charterer is furnished sufficient information on which to base such a determination. Silence of the Charterer shall not be construed as acceptance of any nominated tug.

(d) Notwithstanding Charterer's prior acceptance of any substitute tug under this Article, Charterer may at any time reject any previously accepted substitute tug if it is determined that the characteristics of this substitute tug were misrepresented by the Owner or are otherwise unsuited to the requirements of this Article.

H36.2 Permanent Substitution.

(a) Owner may nominate a substitute tug to perform the services of any Tug identified in Part I. Any such substitute tug shall meet the criteria of Article H36.1(b).

(b) All notifications concerning permanent substitutions by either Charterer or Owner may be made in writing or, if confirmed in writing within forty-eight (48) hours, orally. Charterer's notice of acceptance or rejection of the substitute tug shall be made within a reasonable time following Owner's nomination thereof, provided that Charterer is furnished sufficient information on which to base such a determination. Silence of the Charterer shall not be construed as acceptance of any nominated tug.

H37 SHIP PHYSICAL SECURITY

H37.1 General. The Owner will comply with and implement the Ship Physical Security Requirements contained in COMSC Instruction 5530.3A "MSC Ship Physical Security", as revised, incorporated herein by reference with the same force and effect as if given in full text. Upon request the Contracting Officer will make the full text available.

H37.2 Reimbursement. Reimbursement for recurring costs of "Condition Delta" shall be three hundred dollars (\$300) per day for up to three (3) days. All other costs (non-recurring) shall be included in the basic hire.

H38 RESERVED

H39 LOADING AND DISCHARGING

H39.1 The Government may load aboard any Tug any equipment, seaworthiness permitting. Any loading, discharging, and securing thereof shall be Government's responsibility if same cannot be effected with crew and material onboard the Tug.

H40 RESERVED

H41 TOWING LIABILITY

H41.1 Any and all costs associated with the following shall be for the sole account of the Owner without recourse to the Government, provided any of the following results during the performance of services under this Contract, or preparations therefor, from any negligence, wrongful act, or omission of Owner or its agents, servants, employees, or subcontractors; or from any unseaworthiness, unfitness, or breakdown of any Tug, gear, or other equipment furnished by Owner under this Contract:

(a) Injury or death of Tugmaster or crew of the Tug, or of Captain, Officers, or crew of the Tow;

(b) Injury or death of any other person aboard the Tug or tow;

(c) Loss or damage of whatsoever nature sustained by the Tug or Tow, or any property aboard the Tug or Tow;

(d) Loss or damage of whatsoever nature caused to or suffered by third parties or their property by reason of contact with the Tug or Tow, or by any obstruction created by the presence of the Tug or Tow;

(e) Any liability in respect of wreck removal for the Tug or Tow, or in respect of the expense of moving or lightening or buoying the Tug or Tow, or in respect of preventing or abating pollution originating from the Tug.

H41.2 Whenever the Tugmaster (or any crew) of any Tug furnished or engaged in furnishing tug power or assistance to any vessel (which vessel utilizes or has readily available her own propulsion capability) goes aboard said vessel, or when any licensed pilot goes aboard said vessel, said Tugmaster, crew

Further, neither those providing the Tug or pilot, nor the Tug, its Owners, charterers, operators, managers, or agents shall be under any liability for executing the orders of said Tugmaster, crew member, or licensed pilot, nor shall same be liable for any damage resulting therefrom, unless said damage is caused or results from the negligence or wrongful act or omission of the Tug Owners, charterers, operators, managers, employees, or agents of those furnishing the tug or pilot.

H41.3 In all instances in which any vessel being handled by Owner's Tug sustains damage or is involved in any incident resulting in damage to vessels or property, or in bodily injury or death, Owner shall secure a report from the Tugmaster or Officer acting as pilot, or from any licensed pilot aboard the vessel being handled. Owner shall submit said report in triplicate to the Contracting Officer within twenty-four hours following said incident, reporting the facts, listing deaths, reporting the extent of damages or bodily injuries, and listing recommendations to prevent recurrence.

(a) (1) The Government may, subject to paragraphs (c) and (d) below, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to

(i) Deliver the supplies or perform the services within the time specified in this contract or extension; or

(ii) Make progress, so as to endanger performance of this contract (but see subparagraph (a)(2) below); or

(iii) Perform any of the other provisions of this contract (but see subparagraph (a)(2) below); or

(iv) Operate the Vessels specified in this contract notwithstanding any interruption or delay that may be attributed to labor disruption, labor dispute, or strike.

(2) The government's right to terminate this contract under subdivisions I(ii) and I(iii) above may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized in writing by the Contracting Officer) after receipt of the notice from the Contracting Officer specifying the failure.

(b) If the government terminates this contract in whole or in part it may acquire, under terms and in the manner the Contracting Officer considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the Government for any excess costs for the supplies or services. However, the Contractor shall continue the work not terminated.

SECTION I - CONTRACT CLAUSES

(c) Except for defaults of subcontractors at any tier or for failure to perform due to a labor disruption, labor dispute, or strike, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the Government in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) freight embargoes, and (8) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

(e) If this contract is terminated while the Contractor has possession of Government goods, the Contractor shall, upon direction of the Contracting Officer, protect and preserve the goods until surrendered to the government or its agent. The Contractor and Contracting Officer shall agree on payment for the preservation and protection of the goods. Failure to agree on an amount will be a dispute under the Disputes Clause.

(f) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Government.

(g) The rights and remedies of the Government in this Clause are in addition to any other rights and remedies provided by law or under this contract.

SECTION 5 - SPECIAL PROVISIONS AS AGREED

UNLESS SPECIFICALLY REFERENCED IN BOX 15A HEREIN, THE FOLLOWING ARTICLES DO NOT APPLY TO THIS CHARTER PARTY (SEE ALSO THE PREAMBLE IN PART I HEREIN)

S1-8 RESERVED

S9(H) WAR (replaces Article H4)

H4.1 Instructions. If a tug is ordered under this Charter Party to any port, place, zone, or route involved in a state of war, warlike operations or hostilities, civil strife, or piracy (whether there be a declaration of war or not) where she might reasonably be expected to be subject to capture, seizure, arrest, or hostile act by a belligerent power (whether de facto or de jure), it shall be unreasonable for Owner not to prosecute said voyage instructions if insurance against said risks is then available commercially or under a Government program. In the event of the existence of said risks, Charterer shall, to the extent provided in this Article, assume provable additional costs of wages (including all additional bonuses and payment required) and insurance and all taxes associated therewith properly incurred by Owner as a consequence of service under this Charter Party.

H4.2 Additional Wage Costs. Charterer shall reimburse Owner for provable additional costs (including taxes associated therewith) incurred pursuant to this Contract as a consequence of the risks identified at Article H4.1 for (I) wages of Master, Officers, or crew and (II) required payments or bonuses to Master, Officers, or crew. However, any of said wages or payments shall not exceed in amount that which would be payable, under applicable laws and regulations, to U.S. civil service mariners in the employ of the Military Sealift Command in a similar port, place, zone, or route.

H4.3 Additional Insurance Costs. Charterer shall reimburse Owner for provable additional costs of premia and taxes associated therewith (over and above such costs in effect on the Charter Party Date) reasonably incurred pursuant to this Charter Party as a consequence of the risks identified at Article H4.1 in the Tug's war-risk Hull & Machinery policy, in the Tug's war-risk Protection & Indemnity policy, and in any war-risk policy on the lives of or for injuries to officers and crew. Provided, however, that no proportion of additional premia allocable to insuring an amount in excess of the insured value of the Tug (as of the Charter Party Date) shall be reimbursable by Charterer in respect of any of the foregoing war-risk policies. Provided further that Owner shall apply for and remit to Charterer as savings any rebates by reason of Tug trading in lower-premium war-risk areas. Provided further that the United States of America shall be named as an additional assured with waiver of subrogation noted under all of the foregoing war-risk policies. Alternatively, in Charterer's sole option, and at no cost to the Government, Charterer may delete S9(H) with twenty-four hours notice; thence Article S9(W) shall automatically be effective.

H4.4 Non-availability of Insurance. If no commercial or Governmental insurance is available for service under this Charter Party covering the risks identified in Article H4.1, Tug shall not be required to enter or remain at any port, place, zone, or route subject

to said risks; Charterer in such case shall have the right to order the Tug to other port(s) or places(s).

S9(W) TIME CHARTER WAR RISK COVERAGE

H4.3(w).1 Types and duration of coverage. Under the authority of 46 U.S.C. 1285, the U.S. Maritime Administration will furnish the following War-Risk insurance coverages, which will be effective during the Tug's transit during this Charter of areas currently excluded under commercial marine insurance war risk trading warranties.

A. War-Risk Hull Coverage, insured at the hull value stated in Tug's current commercial hull and increased-value policies effective on Charter Party date, a copy of which current hull policies shall be furnished to Charterer;

B. War-Risk Protection and Indemnity coverage, insured at a value of either: (A) one-hundred fifty percent of the hull value stated in Tug's current commercial hull policy effective on Charter Party date; or (B) USD 45 million, whichever is greater but in no event exceeding that amount of commercial P&I cover which was in effect for the Tug on Charter Party date;

C. War-Risk Blocking and Trapping Coverage;

D. War-Risk Second Seaman's Coverage, the principal sum of which shall be USD 150,000 per Master, officer, or crew member (this is also loss-of-life benefit). Non-hospitalization disability payments therein to be payable in the amount of USD 1,000 per month. Dismemberment benefits to be payable in accordance with the schedule identified in the policy, as a percentage of the USD 150,000 principal sum. For loss of or damage to personal effects, an amount not exceeding USD 1,500 shall be payable to licensed officers, and an amount not exceeding USD 1,000 shall be payable to unlicensed crew members and U.S. Merchant Marine cadets and cadet officers.

E. War-Risk Loss-of-Hire Coverage, if a commercial loss-of-hire policy was in effect on the Tug on Charter Party date. The sum insured by this policy, including the amount of lost time which is covered, will be equivalent to the levels insured by the Tug's commercial policy. However, the amount insured by this policy will in no event exceed the hire rate (effective under the COMSC Charter when the loss of time began), over a maximum duration of 100 days lost. This maximum amount will be further subject to a deductible equivalent to that in place under the Tug's commercial policy.

F. Terms of coverage above referenced to be in accordance with MARAD policies issued pursuant to the authority of 46 APP. U.S.C. 1285 as approved by the Contracting Officer, in the form of Policy set forth in 46 CFR 308, as such form is amended.

G. Contractor shall provide, as a minimum, a Certificate of Insurance evidencing types and levels of insurance held. If requested by Contracting Officer, the Contractor shall provide a copy of above-mentioned policies with endorsements.

SECTION 5 - SPECIAL PROVISIONS AS AGREED

H4.3 (w).2 Notwithstanding any other provision of this Charter Party, all other insurance shall be for Contractor's account.

The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$4.25 per week (or 9.85 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

**** NOTES APPLYING TO THIS WAGE DETERMINATION ****

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE
(Standard Form 1444 (SF 1444))

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. (See Section 4.6 (C) (vi))

When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a

conferred occupation(s) and computes a proposed rate(s).

2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGZ) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour decision to the contractor.

6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

Subcontracting Plan

RFP: N00033-98-R-1015 (9 Sept 1998)

In case of award under this RFP, we will modify our subcontracting plan currently in place for the contract awarded under RFP: N00033-98-R-1007 (attached). We will establish a goal for the new plan of 10% of our total subcontracts and purchases to be with either small, small disadvantaged or women-owned small businesses. More specifically, Moran will attempt to purchase or subcontract either for items necessary for the direct performance of Contract work or in support thereof 7% from small businesses, and 3% from small disadvantaged and women-owned businesses. ✓

**SMALL, SMALL DISADVANTAGED AND WOMEN-OWNED
SMALL BUSINESS SUBCONTRACTING PROGRAM**

**MORAN TOWING OF VIRGINIA INDIVIDUAL CONTRACT PLAN
For Contract To Be Awarded Under Solicitation No. N00033-98-R-1007**

PART I: BASIC CONTRACT

PURPOSE: To conduct a subcontracting program for small business and small disadvantaged businesses in accordance with Federal Acquisition Regulation (FAR) 52.219-9 (AUG 1996) entitled "Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan." This Individual Contract Plan for the Subcontracting Program is structured in accordance with the requirements set forth at FAR 19.704.

These requirements, as amended, are specified in the Contract to be awarded by the United States Navy issued pursuant to Solicitation No. N00033-98-R-1007 (the "Contract"). The Contract requires the services of U. S. Flag Tugs to perform towing and harbor support services in support of submarines and surface vessels on a call-out basis in the Norfolk, Virginia area. The period of performance commences on July 1, 1996 and is for twelve (12) months, with two six (6) month option periods.

1. Separate Percentage Goals for Subcontracting

The nature of the work required of Moran Towing of Virginia ("Moran") by the Contract is such that subcontracting to small non-disadvantaged businesses is difficult and subcontracting to small disadvantaged and women-owned small businesses is almost impossible. There are a very limited number of small non-disadvantaged tug and towing companies with equipment capable of performing even minor portions of the Contract work, and no small disadvantaged and women-owned small tug and towing companies with such equipment. Therefore, Moran has taken a wider view of the small, small disadvantaged and women-owned business subcontracting effort to include items which, while they may not be subcontracts used in the direct performance of the work, are important to the overall efforts of Moran to perform the work. An example of such items are tug repairs. Moran periodically requires repairs to its tugs both as a result of the performance of its Contract with MSC and for other work it performs in the area. Moran has established an overall goal that 10% of its total subcontracts and purchases be with either small, small disadvantaged or women-owned small businesses. More specifically, Moran will attempt to purchase or subcontract for items necessary for either the direct performance of Contract work or in support thereof 7% from small businesses, and 3% from small disadvantaged and women-owned businesses.

The supply and service areas to be subcontracted utilizing small business concerns are: tug and towing services as described in the Contract, repairs associated with the company's towing services, and all other support and maintenance in

connection with the performance of the Contract work and other similar company contracts.

2. Individual Who Will Administer the Subcontracting Program / Duties of this Individual

The Vice President and General Manager of Moran, Paul Horsboll, has been designated as the Small Business Liaison Officer, and is responsible for the effective utilization and implementation of a Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Program. These requirements, as amended, are specified in the Contract and are in accordance with FAR 52.219-8 and 52.219-9. Moran includes indirect costs in establishing subcontracting goals.

Moran's Small Business Liaison Officer has identified all tug and towing procurement sources as to business classifications, i.e., large, small, small disadvantaged or women-owned small businesses. This information was developed by a review of existing company source lists. He will carefully scrutinize each procurement for a possible award to a small business concern or small disadvantaged and women-owned small business concern (should one become available during the course of performance of the Contract). Source lists published by the Small Business Administration, Virginia Department of Minority Business Enterprises and Tidewater Regional Minority Purchasing Council are available to assist in identifying small disadvantaged business concerns.

When a small non-disadvantaged business concern or a small disadvantaged or women-owned small business concern is contracted to perform work for Moran, Moran's policy regarding the processing of invoices for payment is implemented to insure timely payment to these business concerns in accordance with their terms.

3. Description of Efforts to Ensure Equitable Opportunity to Compete for Subcontracts

In addition to the steps described elsewhere herein, Moran will take additional steps to ensure equitable opportunity to compete for subcontracts. When a small business is not contemplated for procurements in excess of \$10,000 and production requirements allow sufficient time, the Small Business Liaison Officer will contact the Small Business Administration through the Contracting Officer to obtain the name of a potentially qualified small business.

4. Inclusion of Clause at FAR 52.219-8 in Certain Subcontracts as Required / Plans for Subcontractors with Subcontracts in Excess of \$500,000

Moran will include the clause at FAR 52.219-8 in this Contract entitled "Utilization of Small, Small Disadvantaged and Women-Owned Small Business Concerns" in all subcontracts that offer further subcontracting opportunities, and Moran will require all subcontracting (except small business concerns) who receive subcontracts in excess of \$500,000.00 to adopt a plan similar to the plan agreed to by Moran.

5. Studies / Surveys / Periodic Reporting / Standard Forms

Moran will cooperate in any studies or surveys as may be required by the government, submit periodic reports in order to allow the government to determine the extent of compliance by Moran with its Subcontracting Plan, submit Standard Form 294, Subcontracting Report for Individual Contracts, and/or SF 295, Summary Subcontract Report, in accordance with the instructions on the forms, and insure that its subcontractors agree to submit Standard Forms 294 and 295.

6. Records to be Maintained

Moran will maintain copies of subcontracts, purchase orders, and invoices consistent with its presently established accounting system which will demonstrate the amount of services and supplies which have been subcontracted to small and small disadvantaged businesses. It will also maintain a file of source lists, together with a description of efforts to locate small and small disadvantaged businesses and to award subcontracts to them.

Moran will maintain records according to FAR 52.219-9(11) including any records of any outreach efforts to contact (a) trade associations, (b) business development organization, and (c) conferences and trade fairs to locate small non-disadvantaged/small disadvantaged and women-owned business concerns. The records shall include the following:

- (i) source lists and other data that identify small, small disadvantaged and women-owned small business concerns,
- (ii) organizations contacted in an attempt to locate sources that are small, small disadvantaged and women-owned small business concerns,
- (iii) records on each subcontract solicitation of more than \$100,000 indicating:
 - (a) whether small businesses were solicited, and if not, why not,
 - (b) whether small disadvantaged businesses were solicited, and if not, why not.

All funds at any time on deposit in the foregoing account (the "Escrow Account"), together with any and all interest earned thereon, if any, shall be hereinafter referred to as the "Escrow Funds". Moran hereby grants a security interest in the Escrow Funds to the Escrow Agent acting as security agent for (i) to the extent such Escrow Funds relate to the Demise Charter Vessels or their operations, the benefit of the Beneficiaries and (ii) to the extent such Escrow Funds relate to the Non-Demise Charter Vessels, the Administrative Agent (for the benefit of itself and the ratable benefit of the Lenders). In addition to the Navy Contract Assignment, Moran, as debtor, shall cause to be filed UCC-1 Financing Statements in each jurisdiction necessary or advisable in the opinion of USB and any other Beneficiaries which may become parties to this Agreement, or in the opinion of the Administrative Agent, in respect of the right, title and interest of Moran in and to the monies earned under the Navy Contract and/or the Escrow Fund. The Escrow Agent shall sign, as secured party, such UCC-1 Financing Statements and related documents as requested by Moran or USB or any other Beneficiary, or the Administrative Agent, but shall have no responsibility whatsoever for such filings or for the correctness of the place of filing. Moran shall insure that the filings are made in all states and/or local offices which Moran and/or USB or any other Beneficiary, or the Administrative Agent, believe necessary or advisable to protect the interest of the Escrow Agent acting for USB and/or such other Beneficiary or the Administrative Agent.

2. Addendum or Addenda to this Agreement: Rights and Obligations of Parties Prior to and Following an Event of Default.

(a) Additional Beneficiaries may become a party to this Agreement by the execution and delivery by such additional Beneficiary, Moran, the Escrow Agent, the other Beneficiaries and the Administrative Agent, and acceptance by Moran, of an Addendum to this Agreement substantially in the form of Schedule A to this Agreement. The Escrow Agent, such other Beneficiaries and the Administrative Agent hereby agree, upon the request of Moran, to execute and deliver such Addenda for the purpose of adding additional Beneficiaries.

(b) As used herein, the term "Event of Default" shall mean the occurrence of an Event of Default (which has not been waived in writing by the applicable party(ies)) under (aa) the Demise Charter of the MARCI MORAN or under any other Demise Charter, with respect to a Demise Charter Vessel, hereinafter entered into between Moran and a Beneficiary whom or which becomes a party to this Agreement by execution of an Addendum hereto or (bb) the Credit Agreement.

(i) Prior to receipt by the Escrow Agent of a written notice of an Event of Default given by (aa) USB or any other Beneficiary which may hereafter become party to this Agreement or (bb) the Administrative Agent, the Escrow Agent shall disburse all Escrow Funds from time to time on deposit in the Escrow Account to or as directed by Moran and Moran shall have the right to the use thereof. Until and unless the Escrow Agent shall receive written notice of an Event of Default from USB or another Beneficiary or the Administrative Agent, it may assume without inquiry that it may continue to disburse funds from the Escrow Account as directed in writing by Moran.

(ii) Following receipt by the Escrow Agent of a written notice of the occurrence of an Event of Default from either of (aa) USB or any other Beneficiary which may hereafter become a party to the Agreement or (bb) the Administrative Agent, the Escrow Agent shall (A) with reasonable promptness, send copies of any such notice to Moran, all Beneficiaries and the Administrative Agent and (B) forthwith cease remitting any Escrow Funds to Moran (except for any Escrow Funds remitted to Moran pursuant to subparagraph (3) below). Following the receipt of such copies, the Beneficiaries and the Administrative Agent

shall consult with each other and with Moran (Moran hereby covenanting to cooperate in connection with same) for the purpose of the Beneficiaries and the Administrative Agent determining from time to time which portion of the then Escrow Funds then held by the Escrow Agent are attributable to each Vessel or the operations thereof. The Beneficiaries, the Administrative Agent and Moran each hereby covenant to cooperate with each other and to act in good faith so that any such determinations can be timely made by the Beneficiaries and the Administrative Agent. All such determinations shall be made at the sole expense of Moran. Upon the Beneficiaries and the Administrative Agent making any such determinations from time to time, all of the Beneficiaries and the Administrative Agent shall promptly send written instructions to the Escrow Agent to distribute the Escrow Funds related thereto in the manner set forth in subparagraphs (1), (2) and (3) below (it being understood and agreed that such written instructions shall set forth what amounts the Escrow Agent is to distribute under such subparagraphs, the Escrow Agent not having the duty to make such determination nor shall it be liable, once it has distributed the Escrow Funds in accordance with such instructions for the application of same by the recipient(s)):

(1) If an Event of Default has occurred and is then continuing under a Demise Charter, any portion of the Escrow Fund (together with any interest thereon) attributable to the operation of the Demise Charter Vessel which is the subject of such Demise Charter shall be paid to the Beneficiary which is the shipowner under such Demise Charter for application to the obligations of Moran and Moran Transportation to such Beneficiary under the Demise Charter Transaction Documents related to such Demise Charter, and such written instructions shall accordingly instruct the Escrow Agent to so pay such Beneficiary such amounts (and shall identify such amounts for the Escrow Agent); and

(2) If an Event of Default has occurred and is then continuing under the Credit Agreement, any portion of the Escrow Fund (together with any interest thereon) attributable to the operation of the Non-Demise Charter Vessels shall be paid to the

Administrative Agent for application to the obligations of Moran under the Loan Documents in accordance with the terms of the Old Moran Security Agreement (as defined in the Credit Agreement), and such written instructions shall accordingly instruct the Escrow Agent to so pay the Administrative Agent such amounts (and shall identify such amounts for the Escrow Agent); and

(3) any portion of the Escrow Fund not distributed to the Beneficiaries or the Administrative Agent under clauses (1) or (2) above shall be distributed to Moran.

3. Additional Duties of the Escrow Agent. A. In addition to the duties of the Escrow Agent set forth above, the Escrow Agent shall have the following responsibilities:

(a) The Escrow Agent shall use its best efforts to provide information, upon request to Moran, the Beneficiaries or the Administrative Agent to assist in their determination of which funds deposited in the Escrow Account were generated by each Vessel.

(b) In the event any payments due under the Navy Contract are inadvertently paid directly to Moran, Moran will forthwith deposit such payments, and the Escrow Agent shall accept such payments for deposit in the Escrow Account, to then be distributed in accordance with the above Sections 2(b)(i) or 2(b)(ii), as the case may be.

(c) The Escrow Agent shall invest cash, dividends or other income may receive with respect to the Escrow Account in Federated Obligations Fund #68 (CUSIP No. 98400008) or, if so directed in writing by Moran, shall invest such funds as may be on deposit in the Escrow Account in short term money market funds, commercial paper rated A-1, P-1 by Moodys and Standard and Poors, in certificates of deposits of first class money center banks, certificates of deposits of the Escrow Agent or in repos of U.S. government securities. Income earned with respect to such investments shall be allocated for tax-reporting purposes to Moran, unless and until an Event of Default shall have occurred and be continuing in which event such interest shall be allocated to the parties entitled thereto and the Beneficiaries. Administrative Agent and Moran shall cooperate in making such allocation and shall provide written instructions to the Escrow Agent with respect to such allocation (if being understood and agreed that the Escrow Agent shall not have the duty to make any such allocation). Such income shall be accumulated in the Escrow Fund and disbursed solely

pursuant to written instructions under Section 2(b) of this Agreement. The Escrow Agent shall have no liability for any investment loss, including any investment loss incurred on any investment required to be liquidated prior to maturity in order to make a payment required hereunder.

B. The Escrow Agent acknowledges that it is acting as security agent under the Navy Contract Assignment and Navy Contract Assignment Notices for the benefit of the Beneficiaries and the Administrative Agent (for the benefit of itself and the ratable benefit of the Lenders). In doing so, it shall be entitled to all the benefits and protections (including those set forth in Section 4 below) provided for herein.

4. Exculpatory Provisions.

(a) The Escrow Agent shall be obligated only for the performance in good faith of such duties as are specifically set forth herein, each of which are ministerial and shall not be construed to be fiduciary in nature, and no implied duties or obligations of any kind shall be read into this Agreement against or on the part of the Escrow Agent. The Escrow Agent may rely and shall be protected in relying or refraining from acting on any instrument reasonably believed to be genuine and to have been signed or presented by the proper party or parties. The Escrow Agent shall not be liable for forgeries or false impersonations. The Escrow Agent shall not be liable for any act done or omitted as escrow agent hereunder (or as security agent under the Navy Contract Assignment or Navy Contract Assignment Notices) except for gross negligence or willful misconduct. The Escrow Agent shall in no case or event be liable for any agreement between other parties referred to or described in this Agreement or for the recitals contained in this Agreement, and the Escrow Agent shall have no duty to determine or compel compliance therewith and shall not be otherwise bound thereby, and shall have no liability for any representations or warranties of Moran, any Beneficiary or the Administrative Agent or for any punitive, incidental or consequential damages. If in doubt as to its duties and responsibilities hereunder, the Escrow Agent may consult with counsel of its choice and any act done or omitted pursuant to the advice or opinion of counsel, in good faith selected by the Escrow Agent, shall be conclusive evidence of the good faith of the Escrow Agent.

(b) Should any dispute arise with respect to the delivery, ownership, right of possession and/or disposition of the Escrow Account and/or Escrow Funds, or should any claim be made upon the Escrow Account by a third party, the Escrow Agent upon receipt of a written notice of such dispute or claim by the parties hereto or by a third party, is authorized and directed to retain in its possession without liability to anyone, all or any of

the Escrow Funds until such dispute shall have been settled either by the mutual agreement of the parties involved or by a final order, decree or judgment of a court in the United States, the time for perfection of an appeal of such order, decree or judgment having expired. The Escrow Agent may, but shall be under no duty whatsoever to, institute or defend any legal proceedings which relate to the Escrow Account and/or Escrow Funds.

(c) The Escrow Agent shall not be liable in any respect on account of the identity, authority or rights of the parties executing or delivering or purporting to execute or deliver the agreement or any documents or papers deposited or called for thereunder.

(d) The Escrow Agent shall not be liable for the outlawing of any rights under any statute of limitations with respect to the Agreement.

5. Alteration of Duties The duties of the Escrow Agent may be altered, amended, modified or revoked only by a writing signed by all of the parties hereto.

6. Resignation and Removal of the Escrow Agent The Escrow Agent may resign as Escrow Agent at any time with or without cause by giving at least thirty (30) days' prior written notice to each of Moran, the Beneficiaries, and the Administrative Agent, such resignation to be effective thirty (30) days following the date such notice is given provided, however, that such resignation shall be in compliance with the FAR Regulations. In addition, Moran, the Beneficiaries and the Administrative Agent may jointly remove the Escrow Agent as escrow agent at any time with or without cause, by an instrument executed by Moran, the Beneficiaries and the Administrative Agent (which may be executed in counterparts) given to the Escrow Agent, which instrument shall designate the effective date of such removal and which removal shall be in compliance with the FAR Regulations. In the event of any such resignation or removal, a successor escrow agent which shall be a bank or trust company organized under the laws of the United States of America or of any State having (or if such bank or trust company is a member of a bank holding company, its bank holding company having) a combined capital and surplus of not less than \$50,000,000, shall be appointed by Moran with the approval of the Beneficiaries and the Administrative Agent, which approval shall not be unreasonably withheld. Any such successor escrow agent shall deliver to Moran and the Beneficiaries and the Administrative Agent a written instrument accepting such appointment, and thereupon it shall succeed to all the rights and duties of the escrow agent hereunder and shall be entitled to receive the Escrow Fund (to be held and disbursed in accordance with the terms hereof) provided such appointment shall be in compliance with the FAR Regulations.

7. Escrow Fees and Expenses. Moran shall be responsible to pay the Escrow Agent the Escrow Fees set forth on Schedule C annexed hereto and made a part hereof, together with any reasonable out-of-pocket expenses incurred by the Escrow Agent in connection with the execution, delivery and performance by the Escrow Agent of its duties hereunder.

8. Indemnification and Expenses Moran does hereby assume liability for, and does hereby agree (whether or not any of the transactions contemplated hereby shall be consummated) to indemnify, protect, save and hold harmless and keep whole the Escrow Agent and each of the other parties hereto (hereinafter defined as "Indemnified Persons"). from and against any and all liabilities (including but not limited to liabilities arising out of the doctrine of strict liability), obligations, losses, damages, penalties, claims, actions, suits, judgments, costs, expenses and disbursements, whether any of the foregoing be founded or unfounded (including legal fees and expenses and costs of investigation), of whatsoever kind and nature (provided that this Article 8 shall not apply to indemnification for any tax other than any net additional income tax arising as a result of receipt of any indemnity payment pursuant to this Article 8) that may be imposed on, incurred by or asserted against any Indemnified Person, and in any way relating to or arising out of the this Agreement (including, without limitation, the performance of all obligations thereunder) including in connection with any Event of Default and terminations or any assignment thereof or sublease thereunder, or any amendments, waivers or consents of or with respect to any thereof required by any of the parties (whether or not the same shall become effective) or requiring the consent of or execution by Moran, except only that the Moran shall not be required pursuant to this Article 8 to indemnify any Indemnified Person for loss or liability resulting solely from such Indemnified Person's own gross negligence or willful misconduct. In the event that the Escrow Agent is owed any amount pursuant to the foregoing indemnification, it shall have the right to set-off against the Escrow Funds for reimbursement of same. The indemnification obligations under this Section 8 shall survive any termination of this Agreement. By accepting this Agreement, Moran Transportation hereby unconditionally guaranties the performance by Moran of the indemnification provisions of this Section 8.

11. No waivers. No failure or delay by the Escrow Agent, any Beneficiary or the Administrative Agent in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

(b) Survival. All warranties, representations and covenants made by Moran in this Agreement or in any certificate or other instrument delivered by it or on its behalf under this Agreement shall be considered to have been relied upon by the other parties and shall survive the execution and delivery of this Agreement, regardless of any investigation made by the other parties or on their behalf. All statements of Moran, or on its behalf, in any such certificate or other instrument shall constitute warranties and representations by Moran

(b) No change in, or modification of, this Agreement or any Schedule hereto shall be effective unless agreed in writing by the parties hereto.

(c) The invalidity of any provision of this Agreement shall not affect the remainder hereof, which shall in such event be construed as if such invalid provision had not been inserted.

(i) The Term A Commitments shall automatically terminate in whole on the Term A Facility Termination Date and all Advances made thereunder shall be repaid in full, no later than the fifth anniversary of the Term A Draw Date.

(ii) On the date of the Term B Borrowing, after giving effect to such Term B Borrowing, and from time to time thereafter upon each repayment or prepayment of the Term B Advances, the aggregate Term B Commitments of the Term B Lenders shall be automatically and permanently reduced, on a pro rata basis, by an amount equal to the amount by which the aggregate Term B Commitments immediately prior to such reduction exceed the aggregate unpaid principal amount of the Term B Advances then outstanding; provided, however, that the Term B Commitments shall terminate, and all Advances made thereunder shall be repaid in full, no later than December 31, 2005.

(iii) On and after the date that all Term A Advances and Term B Advances shall have been repaid in full the Revolving Credit Facility shall be automatically and permanently reduced on each date on which prepayment thereof is required to be made pursuant to Section 2.6(b)(i), (ii), (iii) or (iv) in an amount equal to the applicable Reduction Amount, provided that each such reduction of the Revolving Credit Facility shall be made ratably among the Revolving Credit Lenders in accordance with their Revolving Credit Commitments.

(iv) The Letter of Credit Facility shall be permanently reduced from time to time on the date of each reduction in the Revolving Credit Facility by the amount, if any, by which the amount of the Letter of Credit Facility exceeds the Revolving Credit Facility after giving effect to such reduction of the Revolving Credit Facility.

(v) In the event the Closing Date shall not have occurred by October 30, 1998, then all of the Commitments shall be automatically terminated and this Agreement shall be of no further force or effect.

(vi) Notwithstanding the foregoing in clauses (i), (ii), (iii), (iv) and (v) of this Section 2.5(b), in the event the Term A Borrowing is not consummated on or prior to the Term A Facility Termination Date other than by reason of the breach, if any, by any Lender(s) of its

EBITDA, measured at the end of such Fiscal Year of the Borrower, for such Fiscal Year of the Borrower, is less than 3.00 to 1.00, then the required prepayment of the then outstanding Advances shall be in the amount of fifty percent (50%) of the annual Excess Cash Flow for such Fiscal Year rather than seventy-five percent (75%) of such annual Excess Cash Flow.

(ii) Within fifteen (15) days after receipt by any Loan Party or any of its Subsidiaries of Net Cash Proceeds from any Asset Disposition (other than Extraordinary Receipts the disposition of which shall be governed by the terms of Section 2.6(b)(iv) below), the Borrower shall prepay the then outstanding Advances in an amount equal to one-hundred percent (100%) of such Net Cash Proceeds; provided, however, that no prepayment of the then outstanding Advances will be required under this Section 2.6(b)(ii) with respect to Net Cash Proceeds from Asset Dispositions, not exceeding \$15,000,000 in any Fiscal Year, to the extent that such Net Cash Proceeds with respect to Vessels are reinvested (or are committed, pursuant to a binding written commitment, to be reinvested) in new or used vessels and, with respect to non-vessel assets, are reinvested (or are committed, pursuant to a binding written commitment, to be reinvested) in assets of a similar type and nature of those subject to such disposition, in each case, within twelve (12) months after receipt thereof; provided further, however, that the Borrower shall prepay the then outstanding Advances in an amount equal to (x) all Net Cash Proceeds from Asset Dispositions received in any Fiscal Year in excess of \$15,000,000, plus, without duplication, (y) all Net Cash Proceeds not so reinvested (or committed to be reinvested) within twelve (12) months after receipt thereof (which amounts shall be repaid not later than the date that is twelve (12) months after the date of receipt thereof).

(iii) Within fifteen (15) days after receipt by any Loan Party or any of its Subsidiaries of Net Cash Proceeds from any Debt Issuance or Equity Issuance, the Borrower shall prepay the then outstanding Advances in an amount equal to, (x) with respect to any Debt Issuance, one hundred percent (100%) of such Net Cash Proceeds and (y) with respect to any Equity Issuance, one hundred percent (100%) of such Net Cash Proceeds.

(iv) Within fifteen (15) days after receipt of Net Cash Proceeds by any Loan Party or any of its Subsidiaries from any Extraordinary Receipt received by or paid to or for the account of any Loan Party or any of its Subsidiaries and not otherwise included in clause (i), (ii) or (iii) above, the Borrower shall prepay the then outstanding Advances in an amount equal to one hundred percent (100%) of such Net Cash Proceeds in excess of \$250,000 in the aggregate in any fiscal year.

(v) Each prepayment made pursuant to clause (i), (ii), (iii) or (iv) shall be subject to the provisions of Section 11.4(c) and shall be applied to prepay the Facilities in the following manner: first, ratably to the Term A Facility and the Term B Facility, and ratably to each unpaid installment of principal of each of the Term Facilities until such installments are paid in full; second, to prepay Letter of Credit Advances then outstanding until such Letter of Credit Advances are paid in full; third, to prepay Revolving Credit Advances then outstanding (whereupon the Revolving Credit Facility shall be permanently reduced as set forth in Section 2.5(b)(iv)) until such

prepayment, only to the Advances of the Lenders under the Term A Facility). If any Term B Lender shall not give notice to the Administrative Agent within such five (5) Business Day period, the Administrative Agent shall assume that such Lender shall have accepted such prepayment.

Section 2.7 Interest.

(a) **Scheduled Interest.** The Borrower shall pay to the Administrative Agent, for the benefit of the Lenders, interest on the unpaid principal amount of each Advance owing to each Lender from the date of such Advance until such principal amount shall be paid in full, at the following rates per annum:

(i) **Prime Rate Advances.** During such periods as such Advance is a Prime Rate Advance, a rate per annum equal at all times to the sum of (x) the Prime Rate in effect from time to time plus (y) the Applicable Margin for such Advance in effect from time to time, payable in arrears monthly on the last day of each month during such periods and on the date such Prime Rate Advance shall be Converted or paid in full.

(ii) **Eurodollar Rate Advances.** During such periods as such Advance is a Eurodollar Rate Advance, a rate per annum equal at all times during each Interest Period for such Advance to the sum of (x) the Eurodollar Rate for such Interest Period for such Advance plus (y) the Applicable Margin for such Advance in effect on the first day of such Interest Period, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than three months, on each day that occurs during such Interest Period every three months from the first day of such Interest Period and on the date such Eurodollar Rate Advance shall be Converted or paid in full.

(b) **Default Interest.** Upon the occurrence and during the continuance of a Default, the Borrower shall pay interest on (i) the unpaid principal amount of each Advance owing to each Lender, payable in arrears on the dates referred to in clause (a)(i) or (a)(ii) above and on demand, at a rate per annum equal at all times to two percent (2%) per annum above the rate per annum required to be paid on such Advance pursuant to clause (a)(i) or (a)(ii) above and (ii) to the fullest extent permitted by law, the amount of any interest, fee or other amount payable hereunder that is not paid when due (whether at the stated maturity, by acceleration or otherwise), from the date such amount shall be due until such amount shall be paid in full, payable in arrears on the date such amount shall be paid in full and on demand, at a rate per annum equal at all times to two percent (2%) per annum above the rate per annum required to be paid, in the case of interest, on the Type of Advance on which such interest has accrued pursuant to clause (a)(i) or (a)(ii) above, and, in all other cases, on Prime Rate Advances pursuant to clause (a)(i) above.

(c) **Notice of Interest Rate.** Promptly after receipt of a Notice of Borrowing pursuant to Section 2.2(a), the Administrative Agent shall give notice to the Borrower and each appropriate Lender of the applicable interest rate determined by the Administrative Agent.

Acceptance pursuant to which it became a Lender in the case of each other Lender until the earlier of (x) the Term A Facility Termination Date or (y) the Term A Draw Date payable in arrears quarterly on the last Business Day of each December, March, June, and September, commencing on December 31, 1998 and ending on the earlier of (x) the Term A Facility Termination Date or (y) the Term A Draw Date at a rate per annum equal to 1.00% per annum on the average daily Term A Commitment of such Lender.

(b) **Letter of Credit Fees.**

(i) The Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender a commission, payable in arrears quarterly on the last Business Day of each December, March, June and September commencing December 31, 1998 and on the earliest to occur of the full drawing, expiration, termination or cancellation of any such Letter of Credit and on the Revolving Credit Termination Date, on such Lender's Pro Rata Share of the average daily aggregate Available Amount during such quarter of all Letters of Credit outstanding from time to time at the rate per annum equal to the Applicable Margin then in effect for Eurodollar Advances under the Revolving Credit Facility.

(ii) In addition to the foregoing fees described in (i) above, the Borrower shall pay to the Issuing Bank, for its own account, (x) on the Available Amount of each Letter of Credit, a fronting fee, for the period from the date of issuance of such Letter of Credit to and including the termination thereof, computed at the rate of one quarter of one percent (¼%) per annum, payable in arrears quarterly on the last Business Day of each December, March, June and September of each year and on the date of termination thereof and (y) transfer fees and other customary fees and charges in connection with the issuance or administration of each Letter of Credit as the Borrower and the Issuing Bank shall agree.

(d) **Administrative Agent's Fees.** The Borrower shall pay to the Administrative Agent for its own account such fees as may from time to time be agreed between the Borrower and the Administrative Agent.

Section 2.9 Conversion of Advances.

(a) **Optional.** The Borrower may on any Business Day, upon notice given to the Administrative Agent not later than 11:00 A.M. (New York time) on the third Business Day prior to the date of the proposed Conversion and subject to the provisions of Sections 2.7 and 2.10, Convert all or any portion of the Advances of one Type comprising the same Borrowing into Advances of the other Type; provided, however, that any Conversion of Eurodollar Rate Advances into Prime Rate Advances shall be made only on the last day of an Interest Period for such Eurodollar Rate Advances unless the Borrower pays the amounts, if any, provided for in Section 11.4(c), any Conversion of Prime Rate Advances into Eurodollar Rate Advances shall be in an amount not less than the minimum amount specified in Section 2.1(c), no Conversion of any Advances shall result in more separate Borrowings than permitted under Section 2.2(b) and each

Lender Party additional amounts sufficient to compensate such Lender Party for such increased cost: provided, however, that a Lender Party claiming additional amounts under this Section 2.10(a) agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such a designation would avoid the need for, or reduce the amount of, such increased cost that may thereafter accrue and would not, in the reasonable judgment of such Lender Party, be otherwise disadvantageous to such Lender Party. A certificate as to the amount of such increased cost, submitted to the Borrower by such Lender Party, shall be conclusive and binding for all purposes, absent manifest error.

(b) If due to (i) the introduction or effectiveness, after the date hereof, of, any change in, any change or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request adopted or issued after the date hereof, from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the amount of capital required or reasonably expected to be maintained by any Lender Party or any corporation controlling such Lender Party as a result of or based upon the existence of such Lender Party's commitment to lend or to issue Letters of Credit hereunder and other commitments of such type or the issuance or maintenance of the Letters of Credit and any Lender Party shall determine that same has or would have the effect of reducing the rate of return of such Lender Party with respect such capital, then, upon demand by such Lender Party (with a copy of such demand to the Administrative Agent), the Borrower shall pay to the Administrative Agent for the account of such Lender Party, from time to time as specified by such Lender Party, additional amounts sufficient to compensate such Lender Party in the light of such circumstances, to the extent that such Lender Party reasonably determines such increase in capital (and resulting reduction in return) to be allocable to the existence of such Lender Party's commitment to lend or to issue Letters of Credit hereunder or to the issuance or maintenance of any Letters of Credit. A certificate as to such amounts submitted to the Borrower by such Lender Party shall be conclusive and binding for all purposes, absent manifest error.

(c) If, with respect to any Eurodollar Rate Advances under any Facility, Lenders owed greater than fifty percent (50%) of the then aggregate unpaid principal amount thereof notify the Administrative Agent that the Eurodollar Rate for any Interest Period for such Advances will not adequately reflect the cost to such Lenders of making, funding or maintaining their Eurodollar Rate Advances for such Interest Period, the Administrative Agent shall forthwith so notify the Borrower and the appropriate Lenders, whereupon (i) each such Eurodollar Rate Advance under any Facility will automatically, on the last day of the then existing Interest Period therefor, Convert into a Prime Rate Advance and (ii) the obligation of the appropriate Lenders to make, or to Convert Advances into, Eurodollar Rate Advances shall be suspended until the Administrative Agent shall notify the Borrower that such Lenders have determined that the circumstances causing such suspension no longer exist.

(d) Notwithstanding any other provision of this Agreement, if the introduction or effectiveness of, any change in, or any change in the interpretation of any law or regulation shall make it unlawful, or any central bank or other governmental authority shall assert that it is unlawful,

assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) If the Administrative Agent receives funds for application to the Obligations under the Loan Documents under circumstances for which the Loan Documents do not specify the Advances or the Facility to which, or the manner in which, such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each Lender Party ratably in accordance with such Lender Party's proportionate share of the principal amount of all outstanding Advances and the Available Amount of all Letters of Credit then outstanding in repayment or prepayment of such of the outstanding Advances or other Obligations owed to such Lender Party, and for application to such principal installments, as the Administrative Agent shall direct.

(c) The Borrower hereby authorizes each Lender Party, if and to the extent payment owed to such Lender Party is not made when due hereunder or, in the case of a Lender, under the Note held by such Lender, to charge from time to time against any or all of the Borrower's accounts with such Lender Party any amount so due.

(d) All computations of interest, fees and Letter of Credit commissions shall be made by the Administrative Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, fees or commissions are payable. Each determination by the Administrative Agent of an interest rate, fee or commission hereunder shall be conclusive and binding for all purposes, absent manifest error.

(e) Whenever any payment hereunder or under the Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment fee, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurodollar Rate Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(f) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to any Lender Party hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each such Lender Party on such due date an amount equal to the amount then due such Lender Party. If and to the extent the Borrower shall not have so made such payment in full to the Administrative Agent, each such Lender Party shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender Party together with interest thereon, for each day from the date such amount is distributed to such Lender Party until the date such Lender Party repays such amount to the Administrative Agent, at the Federal Funds Rate.

11.2, the original receipt of payment thereof or a certified copy of such receipt. In the case of any payment hereunder or under the Notes by or on behalf of the Borrower through an account or branch outside the United States or by or on behalf of the Borrower by a payor that is not a United States person, if the Borrower determines that no Taxes are payable in respect thereof, the Borrower shall furnish, or shall cause such payor to furnish, to the Administrative Agent, at such address, an opinion of counsel acceptable to the Administrative Agent stating that such payment is exempt from Taxes. For purposes of this subsection (d) and subsection (e), the terms "United States" and "United States person" shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(e) Each Lender Party organized under the laws of a jurisdiction outside the United States shall, on or prior to the date of its execution and delivery of this Agreement in the case of each Initial Lender or Initial Issuing Bank, as the case may be, and on the date of the Assignment and Acceptance pursuant to which it became a Lender Party in the case of each other Lender Party, and from time to time thereafter as requested in writing by the Borrower or the Administrative Agent (but only so long thereafter as such Lender Party remains lawfully able to do so), provide each of the Administrative Agent and the Borrower with two (2) original Internal Revenue Service forms 1001 or 4224, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or the Notes. If the forms provided by a Lender Party at the time such Lender Party first becomes a party to this Agreement indicates a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender Party provides the appropriate form certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such form; provided, however, that, if at the date of the Assignment and Acceptance pursuant to which a Lender Party becomes a party to this Agreement, the Lender Party assignor was entitled to payments under subsection (a) in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender Party assignee on such date. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the date hereof by Internal Revenue Service form 1001 or 4224, that the Lender Party reasonably considers to be confidential, the Lender Party shall give notice thereof to the Borrower and shall not be obligated to include in such form or document such confidential information.

(f) For any period with respect to which a Lender Party has failed to provide the Borrower with the appropriate form described in subsection (e) (other than if such failure is due to a change in law occurring after the date on which a form originally was required to be provided or if such form otherwise is not required under subsection (e)), such Lender Party shall not be entitled to indemnification under subsection (a) or (c) with respect to Taxes imposed by the United States by reason of such failure; provided, however, that should a Lender Party become subject to Taxes

Section 2.14 Use of Proceeds.

The proceeds of the Advances and issuances of Letters of Credit shall be available, and the Borrower shall use such proceeds and Letters of Credit solely (i) to finance in part the Moran Acquisition, (ii) to pay fees and expenses incurred in connection with the Moran Acquisition, (iii) to finance working capital and capital expenditures of the Borrower and its Subsidiaries (provided that, prior to the Term A Draw Date, the aggregate amount of outstanding Revolving Credit Advances (or applicable portion thereof) and Letter of Credit Advances (or applicable portion thereof) the proceeds or credit of which (in the case of Revolving Credit Advances), or credit represented by which (in the case of Letters of Credit) has been advanced or made available by the Borrower to the Old Moran Entities, shall not, at any one time, exceed \$15,000,000), and (iv) to finance general corporate purposes of the Borrower and its Subsidiaries (including, without limitation, payment of any prepayment premium incurred in connection with the prepayment of the Senior Notes); provided, however, that the Term A Facility (and no other Facility) shall be available solely for the purpose of funding the redemption of the Senior Notes.

Section 2.15 Defaulting Lenders.

(a) In the event that, at any one time, (i) any Lender Party shall be a Defaulting Lender, (ii) such Defaulting Lender shall owe a Defaulted Advance to the Borrower and (iii) the Borrower shall be required to make any payment hereunder or under any other Loan Document to or for the account of such Defaulting Lender, then the Borrower may, so long as no Default shall occur or be continuing at such time and to the fullest extent permitted by applicable law, set off and otherwise apply the obligation of the Borrower to make such payment to or for the account of such Defaulting Lender against the obligation of such Defaulting Lender to make such Defaulted Advance. In the event that, on any date, the Borrower shall so set off and otherwise apply its obligation to make any such payment against the obligation of such Defaulting Lender to make any such Defaulted Advance on or prior to such date, the amount so set off and otherwise applied by the Borrower shall constitute for all purposes of this Agreement and the other Loan Documents an Advance by such Defaulting Lender made on the date under the Facility pursuant to which such Defaulted Advance was originally required to have been made pursuant to Section 2.1. Such Advance shall be a Prime Rate Advance and shall be considered, for all purposes of this Agreement, to comprise part of the Borrowing in connection with which such Defaulted Advance was originally required to have been made pursuant to Section 2.1, even if the other Advances comprising such Borrowing shall be Eurodollar Rate Advances on the date such Advance is deemed to be made pursuant to this subsection (a). The Borrower shall notify the Administrative Agent at any time the Borrower exercises its right of set-off pursuant to this subsection (a) and shall set forth in such notice (i) the name of the Defaulting Lender and the Defaulted Advance required to be made by such Defaulting Lender and (ii) the amount set off and otherwise applied in respect of such Defaulted Advance pursuant to this subsection (a). Any portion of such payment otherwise required to be made by the Borrower to or for the account of such Defaulting Lender which is paid by the Borrower, after giving effect to the amount set off and otherwise applied by the Borrower pursuant to this subsection (a), shall be applied by the Administrative Agent as specified in subsection (b) or (c) of this Section 2.15.

rate of interest payable with respect to the credit balance of such account from time to time, shall be Fleet's standard terms applicable to escrow accounts maintained with it. Any interest credited to such account from time to time shall be held by the Administrative Agent in escrow under, and applied by the Administrative Agent from time to time in accordance with the provisions of, this subsection (c). The Administrative Agent shall, to the fullest extent permitted by applicable law, apply all funds so held in escrow from time to time to the extent necessary to make any Advances required to be made by such Defaulting Lender and to pay any amount payable by such Defaulting Lender hereunder and under the other Loan Documents to the Administrative Agent or any other Lender Party, as and when such Advances or amounts are required to be made or paid and, if the amount so held in escrow shall at any time be insufficient to make and pay all such Advances and amounts required to be made or paid at such time, in the following order of priority:

(i) first, to the Administrative Agent for any amount then due and payable by such Defaulting Lender to the Administrative Agent hereunder;

(ii) second, to the Lender Parties for any amount then due and payable by such Defaulting Lender to such Lender Parties hereunder, ratably in accordance with such respective amounts then due and payable to such Lender Parties; and

(iii) third, to the Borrower for any Advance then required to be made by such Defaulting Lender pursuant to a Commitment of such Defaulting Lender.

In the event that any Lender Party that is a Defaulting Lender shall, at any time, cease to be a Defaulting Lender, any funds held by the Administrative Agent in escrow at such time with respect to such Lender Party shall be distributed by the Administrative Agent to such Lender Party and applied by such Lender Party to the Obligations owing to such Lender Party at such time under this Agreement and the other Loan Documents in such manner as the Administrative Agent shall reasonably direct.

(d) The rights and remedies against a Defaulting Lender under this Section 2.15 are in addition to other rights and remedies that the Borrower may have against such Defaulting Lender with respect to any Defaulted Advance and that the Administrative Agent or any Lender Party may have against such Defaulting Lender with respect to any Defaulted Amount.

Section 2.16 Removal of Lender. In the event that any Lender Party (an "Affected Lender") (a) demands payment of costs or additional amounts pursuant to Section 2.10 or Section 2.12, (b) asserts, pursuant to Section 2.10(d) that it is unlawful for such Affected Lender to make Eurodollar Rate Advances, or (c) which was a Coastwise Citizen at the time it became a Lender hereunder but thereafter lost its status as such, then (subject, with respect to clauses (a) and (b) hereof, to such Affected Lender's right to rescind such demand or assertion within 10 days after the notice from the Borrower referred to below and so long as no Event of Default exists) the Borrower may, upon 20 days' prior written notice to such Affected Lender and the Administrative Agent, with the reasonable assistance of the Administrative Agent, elect to cause such Affected Lender to assign

The Borrower also agrees not to assert any claim against the Administrative Agent, any Lender Party or any of their respective Affiliates, or any of their respective officers, directors, employees, attorneys and agents, on any theory of liability, for punitive damages arising out of or otherwise relating to the Moran Acquisition, the Facilities, the actual or proposed use of the proceeds of the Advances or the Letters of Credit, the Loan Documents or any of the Transaction or other transactions contemplated thereby.

(c) If any payment of principal of, or Conversion of, any Eurodollar Rate Advance is made by the Borrower to or for the account of a Lender Party other than on the last day of the Interest Period for such Advance, as a result of a payment or Conversion pursuant to Section 2.9(b)(i) or 2.10(d) or a prepayment pursuant to Section 2.6(a) or (b), acceleration of the maturity of the Notes pursuant to Article 9 or for any other reason, the Borrower shall, upon demand by such Lender Party (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender Party any amounts required to compensate such Lender Party for any additional losses, costs or expenses that it may reasonably incur as a result of such payment, including, without limitation, any loss (including loss of anticipated profits), cost or expense incurred by reason of the liquidation or re-employment of deposits or other funds required by any Lender Party to fund or maintain such Advance.

(d) If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it under any Loan Document, including, without limitation, fees and expenses of counsel and indemnities, such amount may be paid on behalf of such Loan Party by the Administrative Agent, in its sole discretion.

(b) Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (x) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender or Issuing Bank, as the case may be, hereunder and (y) the Lender or Issuing Bank assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's or Issuing Bank's rights and obligations under this Agreement, such Lender or Issuing Bank shall cease to be a party hereto).

(c) By executing and delivering an Assignment and Acceptance, the Lender Party assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender Party makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other Loan Document or any other instrument or document furnished pursuant hereto or thereto; (ii) such assigning Lender Party makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower or any other Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.6 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the Administrative Agent, such assigning Lender Party or any other Lender Party and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers and discretion under this Agreement and the other Loan Documents as are delegated to the Administrative Agent by the terms hereof and thereof, together with such powers and

remain unchanged, (ii) such Lender Party shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender Party shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrower, the Administrative Agent and the other Lender Parties shall continue to deal solely and directly with such Lender Party in connection with such Lender Party's rights and obligations under this Agreement and (v) no participant under any such participation shall have any right to approve any amendment, waiver or other modification of any provision of this Agreement or any other Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver, modification or consent would reduce the principal of, or interest on, the Notes or any fees or other amounts payable hereunder, in each case to the extent subject to such participation, postpone any date fixed for any payment of principal of, or interest on, the Notes or any fees or other amounts payable hereunder, in each case to the extent subject to such participation, or release all or substantially all of the Collateral.

(h) Any Lender Party may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 11.7, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower furnished to such Lender Party by or on behalf of the Borrower; provided, however, that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any Confidential Information received by it from such Lender Party.

(i) Notwithstanding any other provision set forth in this Agreement, any Lender Party may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the Advances owing to it and the Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

(j) Fleet may syndicate the Facilities to other lenders. Any such syndication will be managed by Fleet and will be treated as Confidential Information. The Borrower shall assist Fleet in forming such syndication and shall provide Fleet and any potential lender, assignee or participant, promptly upon request, with all information deemed reasonably necessary by them to complete successfully such syndication, including, without limitation, all information and projections prepared by the Borrower or their officers or advisers relating to the transactions contemplated herein. The Borrower shall make appropriate officers and representatives of the Borrower and their Subsidiaries available to participate in information meetings for potential syndicate members and participants at such times and places as Fleet may reasonably request. In connection with such syndication, Fleet may, in its sole discretion, allocate to other Lenders portions of any fees payable to Fleet in connection with the Facilities.

Section 11.8 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and

Documents and any other agreements, instruments and documents delivered pursuant hereto or in connection with the Loans or to correct any error in any Loan Document.

(b) Upon receipt of an affidavit of an officer of the Administrative Agent or any Lender as to the loss, theft, destruction or mutilation of any Note or Collateral Document which is not of public record, and, in the case of any such mutilation, upon the surrender and cancellation of such Note or Collateral Document, and, in the case of any Note (other than a mutilated Note), upon receipt of an indemnification in form and substance reasonably satisfactory to the Borrower, the Borrower will issue, in lieu thereof, a replacement Note or other Collateral Document in the same principal amount thereof (in the case of any Note) and otherwise of like tenor.

Section 11.13 Severability. The provisions of this Agreement are severable, and if any clause or provision hereof shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision in this Agreement in any jurisdiction. Each of the covenants, agreements and conditions contained in this Agreement is independent and compliance by the Borrower with any of them shall not excuse non-compliance by the Borrower with any other. All covenants hereunder shall be given independent effect so that if a particular action or condition is prohibited by any of such covenants, the fact that it would be permitted within the limitations of another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 11.14 JURISDICTION, ETC.

(a) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF ANY NEW YORK STATE COURT OR FEDERAL COURT OF THE UNITED STATES OF AMERICA SITTING IN NEW YORK CITY, NEW YORK AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS TO WHICH IT IS A PARTY, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH NEW YORK STATE COURT OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL NON-APPEALABLE JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT ANY LENDER PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

the Navy on February 1, 1999, as same may be amended, supplemented or otherwise modified from time to time.

"Specified Tugboats" means, collectively, (i) the Navy Tugboats, and (ii) up to four (4) additional tugboats, provided that, with respect to any tugboat described under this clause (ii), the terms and conditions of the Specified Tugboat Documents relating to such tugboat are reasonably satisfactory to the Administrative Agent.

"Specified Tugboat Documents" shall mean charters and/or lease agreements, and any related investment and sale agreements, related assignments, trust agreements, and other related documents, pursuant to which the Borrower or any of its Subsidiaries charters and/or leases from the shipowner (or its agent or designee) the Specified Tugboats.

Section 3. Section 5.13(a) of the Credit Agreement is hereby amended by deleting the phrase "(other than assets with a fair market value of less than \$50,000)" and inserting in lieu thereof the phrase "(other than assets with a fair market value of less than \$50,000 and also excluding the Borrower's or any of its Subsidiary's rights, title and interest in the assets which are the subject of the Specified Tugboat Liens (such exclusion to continue only for so long as such assets are subject to the Specified Tugboat Liens))".

Section 4. Section 6:1 of the Credit Agreement is hereby amended by: (1) deleting the "and" at the end of clause (j) thereof; (2) deleting the period at the end of clause (k) thereof and inserting in lieu of such period the phrase "; and"; and (3) inserting a new clause (l) to such Section to read in its entirety as follows: "(l) the Specified Tugboat Liens."

Section 7. Anything contained in the Security Documents or other Collateral Documents to the contrary notwithstanding, the assets which are the subject of the Specified Tugboat Liens shall not be part of the Collateral; provided, however, that it is understood and agreed that any such asset shall, to the extent of the Borrower's or any of its Subsidiary's then right, title or interest therein, become part of the Collateral immediately upon such asset no longer being subject to the Specified Tugboat Liens. The Administrative Agent is hereby authorized, on behalf of the Lenders, to (i) execute and deliver such Uniform Commercial Code amendment statements or statements of partial release and to take such other action, at the expense of the Borrower, as the Borrower may reasonably request to effect the provisions of the immediately preceding sentence, and (ii) execute and deliver such documents, and take such other action, all at the expense of the Borrower, as the Administrative Agent shall reasonably deem necessary or desirable in connection with the protection of the Lien(s) under any applicable Security Document in any monies due or to become due under the Navy Contract with respect to any tugboats which are performing services under the Navy Contract but which are not Navy Tugboats subject to the Specified Tugboat Documents; and in doing any of the foregoing under this sentence the Administrative Agent shall be entitled to all of the benefits and protections of Article 10 of the Credit Agreement; the Borrower shall, and shall cause its Subsidiaries to, execute and deliver such documents, at the expense of the Borrower, and take such other action, as the Administrative Agent may reasonably request to effect the proviso set forth in the immediately preceding sentence.

GUARANTEE

This Guarantee, dated as of October 13th, 2000 (the "Guarantee"), is made by MORAN TRANSPORTATION COMPANY ("Guarantor"), a Delaware corporation in favor of the Guaranteed Parties (as hereinafter defined).

WHEREAS, all capitalized terms used herein and in Schedule 1 hereto without definitions shall have the respective meanings set forth in Schedule A to the Demise Charter dated the date hereof, between Associates Leasing, Inc. ("Shipowner"), an Indiana corporation, and Moran Towing Corporation ("Charterer"), a New York corporation and a wholly-owned Subsidiary of Guarantor;

WHEREAS, it is a condition to the transactions contemplated by the Demise Charter, the Investment Agreement and the other Transaction Documents that Guarantor guarantee that Charterer will make all the payments provided for in, and perform all of its obligations under, all of the Transaction Documents, a list of which is set forth on Schedule 1 attached hereto and made a part hereof (in each case, as the same may be amended, waived, modified or supplemented from time to time, with or without the consent of Guarantor, being herein referred to individually as a "Guaranteed Agreement" and collectively as the "Guaranteed Agreements"), receipt of copies of which Guarantor hereby acknowledges;

WHEREAS, Guarantor is entering into this Guarantee for the aforesaid purpose and to induce Shipowner (the Shipowner, together with its Affiliates and successors, transferees and assigns, being herein referred to individually as a "Guaranteed Party" and collectively as the "Guaranteed Parties") to enter into and perform its obligations under such of the Guaranteed Agreements to which Shipowner is a party; and

WHEREAS, the Guarantor has determined that the execution, delivery and performance by Charterer of such of the Transaction Documents to which it is a party and the execution, delivery and performance of this Guarantee indirectly benefit, and are within the corporate purposes and in the best interests of the Guarantor;

NOW, THEREFORE, for and in consideration of the foregoing, and for other good and valuable consideration which the Guarantor hereby acknowledges having received, the Guarantor hereby covenants and agrees with and represents and warrants to each of the Guaranteed Parties as follows:

ARTICLE 1. Guarantee Terms.

1.1 The Guarantee. Guarantor hereby irrevocably and unconditionally guarantees to each of the Guaranteed Parties the due and punctual (a) full

payment (whether due by acceleration or otherwise) by Charterer in accordance with the terms and provisions of the Guaranteed Agreements of any and all sums (including, but not limited to, Charter Hire, Stipulated Loss Value (if applicable), payments under Sections 17 and 18 of the Demise Charter, indemnities, reimbursement sums, damages, interest, fees and expense, Fees, Taxes and/or Other Charges and all other expenses incurred by or owing to any such Guaranteed Party) which are now or hereafter become payable by Charterer under any of the Guaranteed Agreements as and when the same shall become due and payable in accordance with the terms and provisions of the Guaranteed Agreements and (b) faithful performance and discharge by Charterer of each and every other duty, agreement, covenant, undertaking and obligation of Charterer in favor of any Guaranteed Party under and in accordance with the terms and provisions of the Guaranteed Agreements (all such obligations described in clauses (a) and (b) above being herein referred to individually as a "Guaranteed Obligation" and collectively as the "Guaranteed Obligations"). In the case of the failure or inability of Charterer duly, punctually and fully to pay any such Guaranteed Obligation described in clause (a) above when due and in accordance with the terms of the applicable Guaranteed Agreement (whether or not such failure or inability shall constitute an Event of Default) , Guarantor hereby irrevocably and unconditionally agrees to pay or cause to be paid to the Person or Persons entitled to receive the same (according to their respective interests) under and in accordance with the Guaranteed Agreements, on the day such payments are (or would have become) due and payable, an amount equal to the aggregate of all such Guaranteed Obligations then due and unpaid (including, without limitation, any and all interest due and payable under any of the Guaranteed Agreements). In the case of the failure or inability of Charterer duly and punctually to perform and discharge any such Guaranteed Obligation described in clause (b) above (whether or not such failure or inability shall constitute an Event of Default), in favor of any Guaranteed Party under and in accordance with the terms and provisions of the Guaranteed Agreements, Guarantor hereby irrevocably and unconditionally agrees promptly to perform or discharge the same or cause the same to be performed or complied with. In addition, in the case of any such failure of payment, performance or discharge of any Guaranteed Obligation by Charterer, Guarantor shall forthwith, upon request of any Guaranteed Party, pay to the Guaranteed Party making such request such additional amounts as may be necessary to reimburse such Guaranteed Party in full for any reasonable out of pocket expenses that such Guaranteed Party incurred as a result of any such failure by Charterer (including, without limitation, reasonable attorneys fees and expenses and other reasonable fees and disbursements that may have been incurred by or on behalf of such Guaranteed Party in enforcing such payments, performance or discharge by Charterer or in enforcing this Guarantee).

1.2 Guarantor's Obligations Absolute. The obligations, covenants, agreements and duties of Guarantor hereunder (a) shall be primary obligations of Guarantor, (b) are absolute, unconditional and irrevocable, (c) shall remain in full force and effect and shall not be discharged, limited, impaired, reduced or terminated in any way by any circumstance or condition whatsoever (whether or not Guarantor or Charterer shall have any knowledge or notice thereof) except by payment and performance in full and (d) shall constitute a guaranty of payment, performance and discharge and not of collection. In addition, the foregoing obligations, covenants, agreements and duties shall not be subject to any counterclaim, crossclaim, set off, deduction, withholding, diminution, abatement, recoupment, suspension, deferment, reduction or defense for any reason whatsoever and Guarantor shall have no right to terminate this Guarantee or to be released, relieved or discharged from any of its obligations, covenants, agreements and duties hereunder for any reason whatsoever (whether or not Guarantor or Charterer shall have any knowledge or notice thereof), including, without limitation:

(i) any amendment, modification, addition, deletion or supplement to, or other change in or to or waiver of any provision of any Guaranteed Agreement or to the Vessel, or any assignment, mortgaging or transfer of any thereof or of any interest therein, or any furnishing or acceptance of additional security, or any exchange or release of any security, for the obligations of Charterer under the Guaranteed Agreements, or the failure of any security or the failure of any Person to perfect any security interest in the Collateral Security or any other security;

(ii) any failure, omission or delay on the part of Charterer or any Guaranteed Party, to perform or comply with any term of any Guaranteed Agreement;

(iii) any waiver, consent, extension, indulgence, compromise, release or other action or inaction under or in respect of any Guaranteed Agreement or any obligation or liability of Charterer or any Guaranteed Party, or any exercise or nonexercise of any right, remedy, power or privilege under or in respect of any such Guaranteed Agreement or any such obligation or liability;

(iv) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, dissolution, liquidation, winding up or similar proceeding with respect to Charterer or any Guaranteed Party or any other Person or any of their respective properties or creditors, or any action taken by any trustee or receiver or by any court in any such proceeding;

(v) any limitation on the liability or obligations of Charterer or any

other Person under any Guaranteed Agreement or any discharge, termination, cancellation, frustration, irregularity, invalidity, unenforceability, illegality or impossibility of performance, in whole or in part, of any of the Guaranteed Agreements or any term of any thereof;

(vi) any defect in the title, compliance with specifications, condition, design, operation or fitness for use of, any ineligibility for any particular activity or any damage to or loss or destruction of or any interruption or cessation in the use of, the Vessel or any portion thereof by Charterer or any other Person for any reason whatsoever (including, without limitation, any Event of Loss or any event referred to in Article 12 of the Demise Charter) regardless of the duration thereof (even though such duration would otherwise constitute a frustration of the Demise Charter), whether or not resulting from accident and whether or not without fault on the part of Charterer or any other Person;

(vii) any merger or consolidation of Charterer or Guarantor into or with any other Person or any sale, lease or transfer or other disposition of any or all or substantially all of the assets of Charterer or Guarantor to any other Person;

(viii) any change in the ownership of any shares of capital stock of Charterer (including, without limitation, any change as a result of which the magnitude of Guarantor's ownership interest in Charterer is reduced or Guarantor ceases to hold any such ownership interest, directly or indirectly)

(ix) any act, omission or breach on the part of Charterer, any Guaranteed Party or any other Person under any Guaranteed Agreement or other Transaction Document, or under any law or governmental regulation applicable to said parties or to any Vessel;

(x) any claims as a result of any other business dealings by Guarantor, Charterer or any other Person;

(xi) any event of force majeure;

(xii) any legal requirement; and

(xiii) any other occurrence or circumstance whatsoever, whether similar or dissimilar to the foregoing (including, without limitation, any occurrence or circumstance of the character described in Article 10 (e) of the Demise Charter) that might otherwise constitute a legal or equitable defense or discharge of the liabilities of a guarantor or surety or that might otherwise limit recourse against Guarantor.

The obligations of Guarantor set forth herein constitute the full recourse obligations of Guarantor enforceable against it to the full extent of all its assets and properties, notwithstanding any provision in any Guaranteed Agreement limiting the liability of Shipowner or any other Person.

The obligations of Guarantor set forth in this Guarantee shall be continuing and Guarantor agrees that in the discharge of its obligations under Section 1.1 hereof, no judgment, order, or execution need be obtained, and no action, suit or proceeding need be brought, and no other remedies need be exhausted against Charterer or any other Person prior to the demand by any Guaranteed Party for payment or performance hereunder.

1.3 Waivers by Guarantor. To the extent permitted by applicable law, Guarantor hereby unconditionally waives and agrees to waive at any future time any and all rights which Guarantor may have or which now or at any time hereafter may be conferred upon it, by statute, rule of law, regulation or otherwise, to terminate, cancel, quit or surrender this Guarantee. Without limiting the generality of the foregoing, it is agreed that, at any time or from time to time, the occurrence or existence of any one or more of the following shall not release, relieve or discharge Guarantor from liability hereunder, and Guarantor hereby unconditionally waives and agrees to waive to the extent permitted by applicable law:

(i) notice of any of the matters referred to in Section 1.2 hereof and of any matters which may be referred to in any other Guaranteed Agreement (except any notices to which Guarantor is expressly entitled thereunder);

(ii) all notices that may be required by statute, rule of law, regulation or otherwise, now or hereafter in effect, to preserve intact any rights against Guarantor including, without limitation, any demand, presentment and protest, proof of notice of non-payment under the Guaranteed Agreements, and notice of any default or failure on the part of Charterer to perform and comply with any covenant, agreement, term or condition of any of the Guaranteed Agreements;

(iii) the enforcement, assertion or exercise against Charterer of any right, power, privilege or remedy conferred in the Guaranteed Agreements or otherwise and any requirement that any Guaranteed Party protect, secure, perfect or insure any security interest or Lien on any property subject thereto;

(iv) any requirement of promptness or diligence on the part of any Person;

(v) any requirement to exhaust any remedies or to mitigate the damages resulting from a default under the Guaranteed Agreements;

(vi) any notice of any sale, transfer or other disposition of any right, title to or interest in any Guaranteed Agreement or the Vessel;

(vii) any filing of claims by any Guaranteed Party with any court in the event of the bankruptcy (or any similar proceeding for the relief of financially distressed debtors) of Charterer; and

(viii) any other occurrence or circumstance whatsoever, whether similar or dissimilar to the foregoing, that might otherwise constitute a legal or equitable discharge, release or defense of a guarantor or surety, or that might otherwise limit recourse against Guarantor.

1.4 Reinstatement of Guarantee. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by the recipient thereof upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of Charterer, or upon or as a result of the appointment of a custodian, receiver, intervenor or conservator of, or trustee or similar officer for, either Charterer or any substantial part of its property, or otherwise, all as though such payments had not been made. If an event specified in Article 15(a) (6) or (7) of the Demise Charter shall occur, and such occurrence shall prevent, delay or otherwise affect the right of any Guaranteed Party to receive any payment under any Guaranteed Agreement (including, without limitation, any amounts payable pursuant to Article 15(b) of the Demise Charter), Guarantor agrees that, for purposes of this Guarantee and its obligations hereunder and notwithstanding the occurrence of any of the foregoing events, Guarantor shall forthwith pay any such amount guaranteed hereunder at such times and in such amounts as are specified in the Guaranteed Agreements.

1.5 No Subrogation. Guarantor shall not be entitled to be subrogated to any of the rights of any Guaranteed Party against Charterer in respect of any amounts paid by Guarantor pursuant to any provision of this Guarantee or any obligations guaranteed hereby until all Guaranteed Obligations have been paid or performed or discharged in full, but upon such payment or performance or discharge in full (and so long as this Guarantee has not been reinstated pursuant to Section 1.4 hereof), Guarantor shall be subrogated in full to all rights of all Guaranteed Parties in respect thereof. Each Guaranteed Party hereby agrees at the expense of Guarantor to execute such documents and do such other and further things as may be reasonably requested by Guarantor to effect and evidence such subrogation. Unless and until all Guaranteed Obligations have been paid or performed or discharged in full, Guarantor shall not assign or otherwise

transfer any such claim against Charterer. If any amount shall be paid to Guarantor on account of the foregoing subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid, performed or discharged in full, such amount shall be held in trust for the benefit of the Guaranteed Party or Guaranteed Parties entitled to receive the same (according to their respective interests) under and in strict accordance with the Guaranteed Agreements, shall be segregated from the other funds of Guarantor and shall forthwith be paid over by Guarantor to such Guaranteed Party or Guaranteed Parties.

1.6 The Guarantee to Rank on a Parity with Other Unsecured Indebtedness. The obligations of Guarantor under this Guarantee shall rank on a parity with all other unsecured and unsubordinated indebtedness of Guarantor now or hereafter existing.

1.7 Waiver of Acceptance. Guarantor hereby waives notice of acceptance of this Guarantee by the Guaranteed Parties.

1.8 Guarantor s Claims. The terms and provisions of this Guarantee shall be binding upon and inure to the benefit of Guarantor and the Guaranteed Parties and their respective permitted successors, transferees and assigns.

ARTICLE 10. Entire Agreement: Amendment.

This Guarantee, together with all Guaranteed Agreements, expresses the entire understanding of Guarantor and the Guaranteed Parties relating to the subject matter hereof; and all other understandings, written or oral, are hereby merged herein and superseded. No amendment of or supplement to this Guarantee, or waiver or modification of, or consent under, the terms hereof shall be effective unless in writing and signed by the party to be bound thereby, and also evidenced by an instrument in writing signed by the Shipowner.

ARTICLE 11. Term of Guarantee.

This Guarantee and all guaranties, covenants and agreements and representations and warranties of Guarantor contained herein shall continue in full force and effect and shall not be discharged until such time as all of the Guaranteed Obligations shall be paid or performed or otherwise discharged in full.

ARTICLE 12. Survival.

All warranties, representations and covenants made by Guarantor herein or in any certificate or other instrument delivered by it or on its behalf under this Guarantee shall be considered to have been relied upon by the Guaranteed Parties and shall survive the execution and delivery of this Guarantee, regardless of any investigation made by the Guaranteed Parties or on their behalf. All statements of Guarantor, or on its behalf, in any such certificate or other instrument shall constitute warranties and representations by Guarantor hereunder.

ARTICLE 13. Further Assurances.

Guarantor hereby agrees to execute and deliver all such instruments and take all such action as any Guaranteed Party may from time to time reasonably request in order fully to effectuate the purposes of this Guarantee.

ARTICLE 14. Governing Law.

This Guarantee shall be governed by, construed and enforced in all respects in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely therein.

ARTICLE 15. Jurisdiction and Service of Process.

Guarantor hereby irrevocably submits itself to the jurisdiction of the Supreme Court of the State of New York, New York County, of the United States of America, and to the jurisdiction of the United States District Court for the Southern District of New York, for the purpose of any suit, action or other proceeding arising out of, or relating to, this Guarantee, any of the Guaranteed Agreements or any of the transactions contemplated hereby or thereby, and hereby waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason whatsoever, that such suit, action or proceeding is brought in an inconvenient forum, that the venue of such suit, action or proceeding is improper or that this Guarantee, any Guaranteed Agreement or the subject matter hereof or thereof may not be enforced in or by such courts. Guarantor hereby agrees (a) that service of process in any such suit, action or other proceeding by any Guaranteed Party may be made by mailing a copy of such process by registered or certified mail to Guarantor at the address set forth in Section 6 hereof or as otherwise specified in accordance with Section 6; (b) that service in such manner shall constitute valid and effective service and (c) that nothing herein shall affect any Guaranteed Party's right to effect service of process in any other manner permitted by law, and (d) that each Guaranteed Party shall have the right to bring any legal proceedings (including a proceeding for enforcement of a judgment entered by any of the aforementioned courts) against Guarantor, in such courts or in any other court or jurisdiction in accordance with applicable law.

This Guarantee may be executed in counterpart originals each of which when executed and delivered shall be an original.

ARTICLE 17. No waivers.

No failure or delay by any Guaranteed Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

ARTICLE 18. Judgment Currency.

If, for the purposes of obtaining judgment in any court in any country, it becomes necessary to convert into any Judgment Currency an amount due in the

Currency of Payment under any Guaranteed Agreement, then the conversion shall be made at the Rate of Exchange prevailing on the Conversion Date.

If there is a change in the Rate of Exchange prevailing between the Conversion Date (or any other date which shall be specified in any judgment as the date for such conversion) and the date of actual payment of the amount due (if such date is a Business Day, or if not, the immediately preceding Business Day), Guarantor shall pay such additional or lesser amount as may be necessary to ensure that the amount paid in the Judgment Currency when converted at the Rate of Exchange prevailing on the date of payment will produce the amount then due under this Guarantee in the Currency of Payment.

The term "Rate of Exchange" in this section 18 means the late closing price as of 3:00 P.M. Eastern Time on the relevant date from Telerate Systems and other sources as quoted in The New York Times or, if no such quotation is available, other comparable quotations.
